Identifier	Return Reference	Explanation
Sch J, Part I, Q 4a		Post-termination payments are addressed in the executive employment agreements for Catholic Health Initiative's ("CHI") MBO CEOs. These employment agreements require that in order for the executive to receive post-termination payments, these individuals must execute a general release and settlement agreement. Post-termination payment arrangements are periodically reviewed for overall reasonableness in light of the executive's overall compensation package. There were no reportable individuals who received severance payments from Catholic Health Initiatives (a Related Organization) during the 2009 calendar year.
Sch J, Part I, Q 4b		During the 2009 calendar year Catholic Health Initiatives ("CHI"), a related organization, maintained a supplemental non-qualified deferred compensation plan for MBO CEOs and other CHI employees at the level of senior Vice President and above. The following reportable individuals were eligible to participate in that plan: JEFFREY DROP, REED REYMAN. During 2009 the following contributions were made by CHI to the deferred compensation plan: JEFFREY DROP \$25,583, REED REYMAN - \$10,598.
Sch J, Part I, Q 3		Compensation for the top management official of ST JOSEPH hospital & HEALTH CENTER was established and paid by a related organization, catholic health initiatives (CHI). CHI used the following methods to establish the top management official's compensation: 1) compensation committee, 2) independent compensation consultant, 3) compensation survey or study, and 4) approval by the board or compensation committee, 5) written employment contract.
Part VII, SEct A, Line 5	compensation from an unrelated organization	Carol Laturno, Interim CFO - \$37,704. The above individual's respective calendar year wages were paid to an unrelated staffing organization, Nearterm Corporation, for services rendered to the organization. The amounts above are the gross amounts paid to the staffing agency by the organization and are not necessarily the amounts reported as 1099 compensation to the individuals.
sch j, part i, q 1a	questions regarding compensation	Certain employees are provided with employer-paid temporary housing in conjunction with the recruitment and relocation of these individuals to St Joseph's in Dickinson, ND. St Joseph's human resources department offers this benefit only in circumstances where a suitable candidate cannot be recruited locally. All such benefits are included in the employee's Form W-2 and grossed-up for social security and medicare taxes.
sch j, part i, q2	substantiation required	Since the housing allowance benefiting only certain individuals is paid by the organization on the individual's behalf, substantiation is not required.

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

If applicable, describe the income-based criteria for determining eligibility for free or discounted care under the organization's charity care policy. Also describe whether the organization uses the asset test or other threshold regardless of income to determine eligibility for free or discounted care. When Catholic Health Initiatives (the parent organization to St. Joseph's Hospital and Health Center) established its charity care policy it was determined that establishing a household income scale based on the HUD very low income guidelines was more inclusive than other poverty guidelines and more accurately reflects the socioeconomic dispersions among the 69 urban and rural communities in 20 states served by CHI hospitals and health care facilities. In comparing HUD guidelines to the Federal Poverty Guidelines ("FPG"), we find that on average HUD guidelines compute to approximately 200% to 250% (and sometimes 300%) of FPG such that more individuals qualify for financial assistance under the HUD guidelines than under FPG. St. Joseph's Hospital and Health Center ("St Joseph's") bases its charity care eligibility on HUD's 130% of Very Low Income Guidelines based on geography, and affords the uninsured and underinsured the ability to obtain charity care write-offs, based on a sliding scale, ranging from 25%-100% of charges. An individual's income under the HUD guidelines is a significant factor in determining eligibility for charity care. However, in determining whether to extend discounted or free care to a patient, the patient's assets may also be taken into consideration. For example, a patient suffering a catastrophic illness may have a reasonable level of income, but a low level of liquid assets such that the payment of medical bills would be seriously detrimental to the patient's basic financial (and ultimately physical) well-being and survival. Such a patient may be extended discounted or free care based upon the facts and circumstances.

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

If the organization's community benefit report is contained in a report prepared by a related organization, rather than a separate report prepared by the organization, identify the related organization St Joseph's Hospital and Health Center prepares its own annual written community benefit report Its community benefit report is not contained in that of a related organization

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

Provide an explanation of the costing methodology used to calculate the amounts reported in the table. If a cost accounting system was used, indicate whether the cost accounting system addresses all patient segments (for example, inpatient, outpatient, emergency room, private insurance, Medicaid, Medicare, uninsured or self pay). Also indicate whether a cost-to-charge ratio was used for any of the figures reported in the table. Describe whether this cost-to-charge ratio was derived from Worksheet 2, and, if not, what kind of cost-to-charge ratio was used and how it was derived. If some other costing methodology was used besides a cost accounting system, cost-to-charge ratio, or a combination of the two, describe the method used. Costs in the table were computed using the organization's cost-to-charge ratio that covers all patient segments. The cost-to-charge ratio for the year ended 6/30/10 was computed using the following formula from Worksheet 2: Operating expense (before restructuring, impairment and other losses) divided by gross patient revenue. Based on that formula, \$34,309,021/\$64,368,528 results in a 53.3% cost-to-charge ratio.

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

To the extent that an organization includes any costs associated with physician clinics as subsidized health services in Part I, line 7g it must describe that it has done so and report in Part VI such costs included in part I, line 7g, line 1 There are no physician clinics included in subsidized health services

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

If applicable, state the bad debt expense included on Form 990 Part IX, line 25, column (A) but subtracted for purposes of calculating the percentage in this column Total bad debt expense reported on Form 990 Part IX, Column A was \$2,810,187

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

Provide the rationale and the costing methodology used to determine the amount reported in Part III lines 2 and 3. Describe how the organization accounts for discounts and payments on patient accounts in determining bad debt expense. Also describe the method the organization uses to determine the amount that reasonably could be attributable to patients who likely would qualify for financial assistance under the hospital's charity care policy, if sufficient information has been available to make a determination as to their eligibility. Also, provide if applicable, the text of the footnote to the organization's financial statements that describes bad debt expense. If the organization's financial statements include a footnote on these issues that also includes other information, report only the relevant portions of the footnote. If the organization's financial statements do not contain such a footnote, state that the organization's financial statements do not include such a footnote and explain how the financial statements account for bad debt, if at all. Costing methodology for amounts reported on line 2 is determined using the organization's cost-to-charge ratio of 53.3% from Worksheet 2. When discounts are extended to self-pay patients, these patient account discounts are recorded as a reduction in revenue, not as bad debt expense. St Joseph's does not believe that any portion of bad debt expense could reasonably be attributed to patients who qualify for financial assistance since amounts due from those individuals' accounts will be reclassified from bad debt expense to charity care within 30 days following the date that the patient is determined to qualify for charity care. Bad debt is reported on St Joseph's audited financial statements as consolidated with Catholic Health Initiatives. The provision for bad debts is based upon management's assessment of historical and expected net collections considering historical business and economic conditions, trends in health care coverage, and other collection indicators. Management periodically assesses the adequacy of the allowances for uncollectible accounts based upon historical write-off experience by payor category. The results of these reviews are used to modify, as necessary, the provision for bad debts and to establish appropriate allowances for uncollectible net patient accounts receivable. After satisfaction of amounts due from insurance, CHI follows established guidelines for placing certain patient balances with collection agencies, subject to the terms of certain restrictions on collection efforts as determined by each facility.

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

Describe the costing methodology used to determine the Medicare allowable costs reported in the organization's Medicare Cost Report, as reflected in the amount reported in Part III, line 6 Describe, if applicable, the extent to which any shortfall reported in Part III, line 7 should be treated as a community benefit, and the rationale for the organization's position St Joseph Hospital and Health Center ("St Joseph's") is designated as a Critical Access Hospital ("CAH") CAHs are rural community hospitals that are certified to receive cost-based reimbursement from Medicare The reimbursement that CAHs receive is intended to improve their financial performance and thereby reduce hospital closures CAHs are certified under a different set of Medicare Conditions of Participation (CoP) Shortfalls are created when a facility receives payments that are less than the costs of caring for program beneficiaries Because shortfalls are based on costs, not charges, and St Joseph's, due to their designation as a CAH, received cost-based reimbursement for Medicare purposes, St Joseph's will not experience Medicare related shortfalls However St Joseph's and its affiliates, believe that excluding Medicare losses from community benefit makes the overall community benefit report more credible for these reasons Unlike subsidized areas such as burn units or behavioral-health services, Medicare is not a differentiating feature of tax-exempt health care organizations In fact, for-profit hospitals focus on attracting patients with Medicare coverage, especially in the case of well-paid services that include cardiac and orthopedics Significant effort and resources are devoted to ensuring that hospitals are reimbursed appropriately by the Medicare program The Medicare Payment Advisory Commission (MedPAC), an independent Congressional agency, carefully studies Medicare payment and the access to care that Medicare beneficiaries receive The commission recommends payment adjustments to Congress accordingly Though Medicare losses are not included by Catholic hospitals as community benefit, the Catholic Health Association guidelines allow hospitals to count as community benefit some programs that specifically serve the Medicare population For instance, if hospitals operate programs for patients with Medicare benefits that respond to identified community needs, generate losses for the hospital, and meet other criteria, these programs can be included in the CHA framework in Category C as "subsidized health services " Medicare losses are different from Medicaid losses, which are counted in the CHA community benefit framework, because Medicaid reimbursements generally do not receive the level of attention paid to Medicare reimbursement Medicaid payment is largely driven by what states can afford to pay, and is typically substantially less than what Medicare pays

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

If the organization has a written debt collection policy and answered "yes" to Part III, line 9b, describe the collection practices set forth in the policy that apply to patients who it knows qualify for charity care or financial assistance, whether or not such practices apply specifically to such patients or more broadly to also cover other types of patients. St Joseph's debt collection policy provides that St Joseph's will perform a reasonable review of each inpatient account prior to turning an account over to a third party collection agent and prior to instituting any legal action for non-payment to assure that the patient and patient guarantor are not eligible for any assistance program (e.g. Medicaid) and do not qualify for coverage through St Joseph's charity care policy. After having been turned over to a third-party collection agent, any patient account that is subsequently determined to meet the St Joseph's charity care policy is required to be returned immediately by the third-party collection agent to St Joseph's for appropriate follow-up. All of Catholic Health Initiatives' hospitals' contracts with third party collection agencies include the following standards: * Neither CHI hospitals nor their collection agencies will request bench or arrest warrants as a result of non-payment, * Neither CHI hospitals nor their collection agencies will seek liens that would require the sale or foreclosure of a primary residence, and * No Catholic Health Initiatives' collection agency may seek court action without hospital approval. Finally, collection agencies are trained on the Catholic Health Initiatives Mission, Core Values, and Standard of Conduct to make sure all patients are treated with dignity and respect.

Form 990 Schedule H, Part VI - Supplemental Information, Line 2

Describe how the organization assesses the health care needs of the communities it serves. Describe the community the organization serves, taking into account the geographic area and demographic constituents it serves. Describe how the organization's community building activities, as reported in Part II, promote the health of the communities the organization serves. Provide any other information important to describing how the organization's hospitals or other health care facilities further its exempt purpose by promoting health of the community (e.g., open medical staff, community board, use of surplus funds, etc).

ORGANIZATION'S MISSION, VISION, AND TAX-EXEMPT PURPOSE Catholic healthcare has had a long-standing tradition of service to the poor. St Joseph's Hospital and Health Center ("St Joseph's") defines the poor in many ways, not just economic. They are also those individuals who experience deficits in their lives physiologically, spiritually, and/or emotionally. We give assistance and support to those who are the disadvantaged in our society, which helps their ability to realize their potential in their environment. From a mission perspective, we strive to bring the healing presence of God to our community and assist our community in becoming a healthier place to live and work. The activities that we engage in aid the community directly and flow from our mission statement. The definition of charity is "benevolent goodwill toward or love of humanity, an institution engaged in the needs of the poor, helpfulness towards the needy or suffering." The work we do reflects this definition of charity, whether it is through financial assistance, screening programs, hospice, or our programs of outreach through home health, rural health clinics and collaboration with other healthcare providers. Our effort at St Joseph's is directed towards enhancing the entire well-being of our community, especially those who struggle within the environment. St Joseph's serves all persons in the community on a non-discriminatory basis. We also operate a 24-hour emergency room 365 days per year that is open to all individuals regardless of ability to pay. St Joseph's has an open medical staff, participates in Medicare and Medicaid, and has an active charity care program. Community service has always been at the core of St Joseph's activities. The programs and services described throughout this report not only serve the community, but also reduce the burdens on the government. St Joseph's Hospital and Health Center is included in the Official Catholic Directory as a tax-exempt hospital.

COMMUNITY BENEFIT APPROACH Located in Dickinson, ND, St Joseph's serves Stark County and the surrounding area, which encompasses numerous counties in Southwest North Dakota. This is an area comprising approximately 31,000 people. We continue our deep commitment to an involvement in promoting community health in our region today.

Uncompensated Care for the Poor St Joseph's provides a significant level of free care each year. In fiscal year 2010, the cost of charity care provided by the organization was in excess of \$570,000.

QUALITATIVE DESCRIPTION OF COMMUNITY BENEFIT Community Education and Outreach St Joseph's offers community education and screenings for a variety of different topics such as advanced directives, parent depression awareness, lab screenings, and drug education, medical explorers (medical careers), infection control, speaking engagements on health topics, informational health fairs. These were held in public schools, Dickinson and surrounding communities, businesses, television spots, and radio ads. These services are provided by St Joseph's to Dickinson and the surrounding areas. St Joseph's offers a four-week Grief-Loss Recovery Series seminar. This seminar includes an overview of the natural responses to grief and an introduction to aid in the adjustment to grief and loss. An opportunity to discover and strengthen coping skills provides participants with the ability to move positively toward recovery. St Joseph's offers education to expectant mothers including Lamaze childbirth classes, breast feeding classes, free hearing tests on infants and tours of Babykind, the labor and delivery and nursery program at St Joseph's.

Community Outreach for the Broader Community St Joseph's and Prairie Hills Mall collaborates to provide wellness information to the public through displays, wellness seminars and a walking program. Wellness seminars are offered every third Tuesday of the month starting at 2:00 p.m. Those attending can get their blood pressure checked before they sit back to enjoy one of the informative and helpful seminars. Free blood pressure screenings are also available at the Wellness Center once a month from 2-4 p.m. Among the community health education offered at no charge are diabetic education, self-monitoring of blood-glucose, and preparation of advanced directives. St Joseph's also collaborates with Southwest

District Health Unit on an annual Community Fair for the southwest part of the state, as well as with numerous programs such as the Go Red campaign for women's heart health in February and Breast Cancer awareness in October. We also partner with other rural communities for their annual health fairs. We are Major sponsors and supply a team for Relay for Life in July, and have membership in Healthy 8, an eight county health coalition, COCO (coalition for local non-profits), SASA (Southwest Area Safety Association), the Homeless Coalition, and Rotary Club. St. Joseph's Hospital partners with both high schools, and the university, in health-related academics, athletics and fine arts. We host community appreciation events such as Picnic in the Park in August and a Hometown BBQ in Killdeer in September. Within the hospital we offer junior volunteering opportunities to local youth, as well as a job shadowing program and Medical Explorers for students who are considering careers in the health field. St. Joseph's supports United Way, the Best Friend's Mentoring Program and numerous not-for-profit organizations through fundraising, event attendance and sponsorship. St. Joseph's continues to explore opportunities for a community education wellness program at the Mall. This wellness program fits in very well with our mission to collaborate with other organizations in creating healthier communities.
