4a	(Code) (Expenses \$ 8,277,207 including grants of \$) (Revenue \$ 8,863,297)
	I IntroductionTowner County Medical center was aquired from the Sisters of St Francis, a Catholic religious order, in 1992 The community of Cando wanted to insure itself that there would continue to be health care services available to not only the residents of Cando, but to the areas surrounding the community as well Service to the community and the surrounding area is a hallmark of how we are here The medical center provides diagnostic and therapeutic treatment to all, regardless of race, sex, religion, financial ability to pay, or any other area that could be deemed to be discriminatory In addition to the core medical services, we are continually reaching out to surrounding communities assisting them in promoting a healthier community as well II Uncompensated CareTowner County Medical Center provides uncompensated care to those in need to services, who either have limited resources or who may have fallen on hard times and are in need of relief in order to get back on their feet The amount of traditional uncompensated care for the year ended June 30, 2010 was \$286,931, which includes charity care and bad debts In many cases, we believe that the bad debt is in fact charity care, but individuals are too proud to come in and request charity New policies and procedures have been developed in an effort to allow us to better identify these individuals, and to be able to classify them as they should be In addition to uncompensated care, Towner County Medical Center also provides discounts to the Medicare and Medicaid programs For the year ended June 30, 2010 those discounts totaled \$873,291
