Part VI Supplemental Information

Complete this part to provide the following information

- 1** Provide the description required for Part I, line 3c, Part I, line 6a, Part I, line 7g, Part I, line 7, column (f), Part I, line 7, Part III, line 4, Part III, line 8, Part III, line 9b, and Part V See Instructions

[illegible]

Part I, Line 7f Bad debt expense of \$599,742 was subtracted from total operating expense

Part I, Line 7 Lines 7a and 7b were determined using the ratio of patient care costs to charges calculated in Worksheet 2 Line 7G was determined using the cost report Lines 7e and 7i were determined using the general ledger

Part III, Line 4 a) The cost-to-charge ratio was calculated using Worksheet 2 b) Bad debt recoveries and discounts applied during the collection process are posted in a separate account on the general ledger This account is combined with the bad debt expense account to result in a net bad debt expense amount on the audited financial statement The bad debt allowance and expense takes contractual allowances into account c) The Hospital applied the 2008 poverty level percentage (most recent information available) for its area to the total amount sent to collections during the fiscal year ended June 30, 2010 to determine an estimate of eligible charity care reported as bad debt d) Footnote from Financial Statement The carrying amount of patient receivables is reduced by a valuation allowance that reflects management's best estimate of amounts that will not be collected from patients and third-party payors Management reviews patient receivables by payor class and applies percentages to determine estimated amounts that will not be collected from third parties under contractual agreements and amounts that will not be collected from patients due to bad debts Management considers historical write off and recovery information in determining the estimated bad debt provision Management also reviews accounts to determine if classification as charity care is appropriate

Part III, Line 8 Medicare allowable cost of care was calculated from the medicare cost report for the fiscal year ending 6/30/2010. The entire Medicare shortfall is considered a community benefit. Madison Community Hospital provides services to patients under the Medicare program knowing they will not recover all the costs associated with providing these services. Providing these services is essential for the health of these patients and increases their access to healthcare services.

[illegible]

- 2 Needs assessment.** Describe how the organization assesses the health care needs of the communities it serves
- Part VI, Line 2 A demographic and service line analysis was completed to determine community healthcare needs. In addition, a previously completed community healthcare needs assessment for our county is referred to frequently for information.

- 3 Patient education of eligibility for assistance.** Describe how the organization informs and educates patients and persons who may be billed for patient care about their eligibility for assistance under federal, state, or local government programs or under the organization's charity care policy

Part VI, Line 3 Business office personnel/discharge planning counsels patients upon admission and through the discharge planning process on Medicaid, county welfare programs, charity care, etc. Payment planning is discussed. Financial assistance programs are detailed either in person or through a brochure that explains the hospital's financial assistance and payment requirements. Covered vs noncovered charges are discussed with the patient. A patient assessment is completed on each inpatient by discharge planning. Included in this assessment is discussion on financial responsibilities/concerns/government programs.

- 4 Community information.** Describe the community the organization serves, taking into account the geographic area and demographic constituents it serves

Part VI, Line 4 Madison Community Hospital is the only hospital in the service area. Eight physicians and three physician extenders practice in the community. The service area for MCH includes 14 zip code communities that are within a 21-mile radius of the hospital. It includes all of Lake County and portions of Brookings, Kingsbury, Miner, Moody, McCook and Minnehaha counties. Total service area population was calculated at 19,625 in 2010. Estimated median household income in 2009: \$43,517.

- 5 Community building activities.** Describe how the organization's community building activities, as reported in Part II, promote the health of the communities the organization serves

Part VI, Line 5 The governing body of Madison Community Hospital is comprised of community members, none of which are employees or contractors of the hospital Medical staff privileges are extended to all qualified physicians in the community Surplus funds are used to improve patient care and facilities The hospital operates an emergency room which is available to all regardless of their ability to pay The hospital participates in education and training of healthcare professionals through residencies and internships for nursing students, therapy students, physicians and physician's assistants The hospital participates in several government sponsored health programs, including but not limited to Medicare, Medicaid, VA, Tri-care, and All-Women-Count The hospital offers volunteer opportunities to members of the community

- 6 Provide any other information important to describing how the organization's hospitals or other health care facilities further its exempt purpose by promoting the health of the community (e g , open medical staff, community board, use of surplus funds, etc)

- 7** If the organization is part of an affiliated health care system, describe the respective roles of the organization and its affiliates in promoting the health of the communities served

- 8** If applicable, identify all states with which the organization, or a related organization, files a community benefit report
