	Children's Care Hospital & School (CCHS), with locations in Sioux Falls and Rapid City, SD, treated an estimated 1,957 children with special needs in all of its programs last fiscal year. 137 children were served through inpatient and day programs at CCHS in Sioux Falls, SD. Children were mostly from South Dakota, with some children from Minnesota, Iowa, Nebraska, and Alaska also served. Services include therapies (physical therapy, occupational therapy, speech-language pathology, respiratory therapy, music therapy, and behavior therapy), nursing care, audiology, psychology, and special education. Special education is offered through 14 classrooms for children of different ages and various diagnoses. Students include those in residence at CCHS plus day students. Other professionals offering services include social workers, a dietitian, and behavior analysts. CCHS has five Board Certified Behavior Analysts, the most of any organization in the state. Average daily census for 2009-2010 was 73.5 for inpatient, and 29.7 for day programs. The Extended School Year (ESY) Program offers summer school for children who need year-round schooling, but whose school districts do not offer that service. Outpatient and Outreach Programs are collectively referred to as Community-Based Programs, and served a total of about 1,609 children last fiscal year. Outreach provides services to children in their own environment—their home, school, or daycare center. Professionals from Sioux Falls and Rapid City drove over 545,000 miles last fiscal year across South Dakota providing services to children, including physical, occupational, and speech therapy, audiology services, and consultation in school psychology and special education. In-Home Behavior Therapy is an outreach service offered by our Sioux Falls center. It provides one-on-one behavioral therapy in the child's home, and provides training and consultation for parents. Outpatient Services are offered from CCHS centers in Sioux Falls and Rapid City. Therapies (physical therapy, occupational therapy, speech-language pathology) are the main services offered at these sites, plus orthotic & prosthetic services, audiology and assistive technology services. Other services offered—wheelchair seating and positioning evaluations, durable medical equipment sales and service (Sioux Falls only), especially power wheelchairs and other mobility devices, audiology, Adaptive Aquatics (Sioux Falls only), and summer skills "camps" for children and some adults with special needs. Free autism screenings are offered in Sioux Falls as an outpatient service, and full autism evaluations are provided by our multidisciplinary Autism Evaluation Team, led by a pediatric psychiatrist. The TEAM (Tone Evaluation and Management) clinic for children with Cerebral Palsy is led by two physicians. In Rapid City, our psychologist offers screenings for Autism Spectrum Disorders, developmental delays, ADHD, and other psychological disorders common in children. He also offers direct psychotherapy for children.

Board Chair forwarded total compensation information to Senior HR Manager through a Payroll Change Form and this was entered into the Payroll System.

Identifier	Return Reference	Explanation
Form 990, Part VI, Section C, line 19		Governing documents, conflict of interest policy and financial statements, other than information contained in the Form 990, are not available for public access.

Identifier	Return Reference	Explanation
Form 990 Part V Line 4	Number of W-2's created for calendar year 2009	The organization converted to a new payroll system at the end of October, 2009. Wage information from January through October of 2009 didn't convert to the new system. As such, the Hospital issued 690 W-2's for wages paid for January through October, 2009, and 519 W-2's for wages paid in November and December. The Hospital had a total of 705 employees during 2009. If the payroll information had transferred from the old system to the new system, the Hospital would have prepared 705 W-2's for tax year 2009, which is what the Hospital reported in Part V, Line 4.
