Form 990, Part VI, Section B, line 15		The bylaws of Severn School establish a Personnel committee that has general oversight of the School's human resource plan. Specific duties include yearly evaluation of the faculty compensation scales/range as well as the ranges for staff administrators. Competent salary survey(s) of independent and other schools are used to benchmark compensation for faculty compensation. The committee also considers the published salary ranges of the Anne Arundel county public schools. For the administrator compensation levels, the committee uses the data provided by the Association of Independent Maryland Schools (AIMS) if available as a guide. In addition, the committee considers input obtained from other board members, staff, professional advisors, and other informed community leaders in the assessment of the appropriate levels of compensation. The Executive Committee of the Board meets to discuss the compensation package for the Head of School using data provided by AIMS as well as other information they find in their research.
