		Part X, Line 2 On January 1, 2009, the Foundation adopted the Financial Accounting Standards Board's new accounting requirements for accounting for uncertain tax positions. Under these new requirements, a tax position that meets the more-likely-than-not recognition threshold is initially and subsequently measured as the largest amount of tax benefit that has a greater than 50 percent likelihood of being realized upon settlement with a taxing authority that has full knowledge of all relevant information. The Foundation determined that it was not required to record a liability for unrecognized tax benefits as a result of implementing the new requirements.
