Executive Compensation Policy	Part VI, Section B, Question 15	The Executive Compensation Committee of the Board of Directors of MedStar Health, Inc (the "Committee") has oversight over the executive compensation program (the "Program") of MedStar Health, Inc and its affiliates. Total compensation for the top management officials, officers and key employees of MedStar Health, Inc and its affiliates are reviewed and approved by the Committee with assistance and guidance from an independent third party advisor. The members of the Committee are independent from all of the participants in the Program. The main objective of the Program is to provide market competitive total compensation that is internally equitable and has a strong pay-for-performance linkage. Performance is evaluated at the system, operating unit, and individual levels. The overall total compensation philosophy is managed at the 75th percentile of the competitive market for comparable size (net revenue) and type (tax-exempt healthcare organizations). Where appropriate, additional industry data is considered (general business and/or taxable healthcare) for selected positions that can be recruited from or potentially lost to these industries (e.g., information technology, finance, etc.). The Committee has engaged Ernst & Young LLP ("E&Y") to serve as an advisor on the reasonableness and competitiveness of the Program. In determining reasonableness and competitiveness, E&Y reviews market practices and trends, and makes recommendations related to the Program. E&Y utilizes information from custom surveys, national compensation surveys, proprietary databases, and client experiences to determine its final recommendations. E&Y presents their findings and recommendations to the Committee. The Committee makes the final decisions on all of the compensation determinations of the Program. All decisions made by the Committee are contemporaneously documented.
