PROCEDURES FOR MONITORING USE OF GRANT FUNDS OUTSIDE THE US

SCHEDULE F, PART I

All grants, contracts and sources of income supported activities related directly to CIEL's charitable mission/purpose. CIEL has a number of ways to determine whether individuals or organizations receiving subgrants qualify to receive payments within the context of furthering CIEL's charitable purpose. Most of CIEL's subgrants are to other non-governmental organizations with which CIEL has had previous collaboration and extensive interaction, and perform tasks that are consistent with and further achieving CIEL's charitable purpose. Many are specifically identified in/by the specific contracts or grants which provide CIEL with the funds for those subgrantees. In these cases, CIEL's subgrantees undergo not only appropriate review by CIEL but also by CIEL's funders. On the few occasions where CIEL is unfamiliar with potential subgrantees, CIEL solicits information from both the subgrantee and other organizations that might have experience working with the potential subgrantee.

CIEL checks both the U.S. Department of the Treasury, Office of Foreign Assets Control, Specially Designated Nationals and Blocked Persons and U.S. Department of State Foreign Terrorist Organization lists before any funds are transferred or paid to an individual or organization within or outside the United States. CIEL does not provide funds to any individuals or organizations on either of these two lists, and we will continue to follow that policy.

For travel-related subgrants, recipients must provide CIEL with copies of

CIEL subgrantees must submit specified deliverables and/or reports to

document proper use of the funds forwarded by CIEL. Payments for larger

subgrants specifying deliverables are generally made in two payments,

MONITORING USE OF GRANT FUNDS WITHIN THE U.S.

SCHEDULE I, PART 1, LINE 2

All grants, contracts and sources of income supported activities related directly to CIEL's charitable mission/purpose. CIEL has a number of ways to determine whether individuals or organizations receiving subgrants qualify to receive payments within the context of furthering CIEL's charitable purpose. Most of CIEL's subgrants are to other non-governmental organizations with which CIEL has had previous collaboration and extensive interaction, and perform tasks that are consistent with and further achieving CIEL's charitable purpose. Many

are specifically identified in/by the specific contracts or grants which provide CIEL with the funds for those subgrantees. In these cases, CIEL's subgrantees undergo not only appropriate review by CIEL but also by CIEL's funders. On the few occasions where CIEL is unfamiliar with potential subgrantees, CIEL solicits information from both the subgrantee and other organizations that might have experience working with the potential subgrantee.

CIEL checks both the U.S. Department of the Treasury, Office of Foreign Assets Control, Specially Designated Nationals and Blocked Persons and U.S. Department of State Foreign Terrorist Organization lists before any funds are transferred or paid to an individual or organization within or outside the United States. CIEL does not provide funds to any individuals or organizations on either of these two lists, and we will continue to follow that policy.

For travel-related subgrants, recipients must provide CIEL with copies of invoices/receipts such as for airfares, train fares, hotels, etc. Other CIEL subgrantees must submit specified deliverables and/or reports to document proper use of the funds forwarded by CIEL. Payments for larger subgrants specifying deliverables are generally made in two payments, with the second payment being made upon satisfactory completion of the related deliverable. Payments for smaller subgrants are generally made upon completion of the related deliverable.

Governing Body's review of Form 990

Part VI, Line 11a

On an annual basis and in time to comply with the IRS' filing deadline, CIEL's Director of Finance and Administration will provide the necessary financial and narrative information to CIEL's auditors, who will then prepare a draft Form 990, complete with the relevant financial information and supporting schedules. Once the auditors have provided the Director of Finance and Administration with an acceptable draft Form 990, he will submit the draft Form 990 in .pdf format, by email, to CIEL's full Board of Trustees, inviting their review and comments. The Director of Finance and Administration will schedule a meeting of the Audit Committee to provide for its opportunity to review and comment. Agreed-to changes will be incorporated before sending to the Executive Committee for review, comment and approval. Any additional agreed-to changes will be incorporated before a final signed copy of the Form 990 is emailed to the full CIEL Board of Trustees, also before filing with the IRS.

Monitoring and Enforcing Compliance with Conflict of Interest Policy

Part VI, Line 12c

Annually, CIEL requires each trustee, officer, employee earning more than \$125,000 per year including benefits, substantial contributor and agent of CIEL: (1) to review CIEL's conflict-of-interest guidelines; (2) to disclose on the form provided, any possible business, familial, or

personal relationship that reasonably could give rise to a conflict of interest or the appearance of a conflict of interest; and (3) to acknowledge by his or her signature that he or she is acting in accordance with the letter and spirit of such guidelines. Completed and signed forms are kept in the office of the Director of Finance and Administration who reviews all pending grants, contract and payments for any potential conflict of interest. Rather than completing a new form each year, Trustees may also indicate in writing that no changes need to be made to their previously completed forms.

Determining Compensation

Part VI, Line 15b

As part of a program to consistently and effectively manage the compensation of all individuals employed by CIEL, the organization has developed a Base Salary Administration policy. Base Salary Administration is built around the use of detailed position descriptions, an individual qualifications evaluation process, periodic market-based salary comparability analysis performed by an independent consultant, and the resulting set salary ranges for each position type within the organization. All other related benefits are applied uniformly to all individuals employed by CIEL. Considering this salary range information, CIEL's Board of Trustees negotiates and approves any new President's salary and related compensation. The Board of Trustees also must first review and approve any periodic cost of living salary increases as contained in CIEL's annual budget.

communities that depend on forests for their livelihoods. In this context we provided assistance to the United Nations Development Programme (UNDP) on ways to incorporate rights and grievance mechanisms into REDD pilot programs. We also provided assistance to the United Nations Conference on Trade and Development (UNCTAD) on the relationship between international investment agreements and national climate policies. We continued to provide both logistical and substantive support to the Climate Action Network in the areas of technology transfer, legal issues (including legal form and monitoring, reporting and verification (MRV)), and public participation. We have continued to advance the understanding of the interface between climate change and human rights with a focus on how to implement synergistic solutions. In addition, we have continued to promote the inclusion of environmental and social safeguards in the elaboration of mechanisms to deliver climate finance.
