Part V, Line 4	Description of Intended Use of Endowment Funds	Part V, line 4 The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment. Endowment assets include those assets of donor-restricted funds that the Foundation must hold in perpetuity or for a donor-specified period. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to preserve and grow capital, strive for consistent absolute returns, preserve purchasing power by striving for long-term returns which either match or exceed the set payout, fees and inflation without putting the principal value at imprudent risk, and diversify investments consistent with commonly accepted industry standard to minimize the risk of large losses. Investments are to be used in the fellowship fund.
