# We Are We Do More.

#### The First.

The first merit scholarship program established in the United States. Founded at the first public university in the United States. The first to envision and implement a strategic summer enrichment program and, most recently, the first to designate a fund for discovery for each of our Scholars. Established in 1945 and inspired by the Rhodes Scholarship at Oxford University, the Morehead-Cain provides an undergraduate experience without peer.

#### The Framework.

Four years, four summers — fully funded. Immersion in a vibrant student body. Experienced advisors to introduce passion and potential to a world of opportunity. Exclusive enrichment and networking opportunities — indeed a lifetime connection — with the unparalleled community of Morehead-Cains across the globe.

#### The Freedom.

Scholars bring the potential. We set it free. We fund. We connect. We encourage. On occasion we question. Sometimes we guide. Frequently we get out of the way. What we don't do is dictate. The Morehead-Cain is a Program proven to develop leaders in a framework intentionally nimble. We provide a net, then let Scholars go, giving them the trust and freedom to pursue their own interests, mine their own potential, determine their own sphere of influence, and have their own impact.

#### The Tangibles

Integrity, empathy, bravery, humility, maturity, generosity: these form the bedrock of the Morehead-Cain culture.

#### Scholarship

It isn't the high-achieving student we seek so much as the scholar — the one for whom knowledge is about more than grades and test scores, and for whom learning is an appetite rather than a means to an end.

#### **Physical Vigor**

It's as simple as a demonstrated commitment to an active lifestyle and a dedication to fitness and physical activity.

#### Leadership

It's more than titles held or roles played. Here, leadership demonstrates courage and action. Morehead-Cains initiate. They act and impact. They influence and they inspire.

† Due consideration is given to nominees with physical limitations.

#### WHAT IS THE MOREHEAD-CAIN?

Established in 1945 and modeled after the Rhodes Scholarship at Oxford University, the Morehead-Cain is the oldest, most prestigious ment scholarship program in the United States. It is a unique, fully-funded, educational opportunity that includes an undergraduate scholarship to the University of North Carolina at Chapel Hill, as well as a summer enrichment program offering a life-enhancing combination of global travel, research, and real-world work experience in public service and the private sector. Morehead-Cain Scholars have access to support and advice from a dedicated Morehead-Cain advisor throughout their collegiate experience, and have the opportunity to interact with nearly 3,000 Morehead Alumni who live and work around the globe.

#### WHAT MAKES A MOREHEAD-CAIN SCHOLAR?

In every senior class, there is a handful of dynamic leaders that sets the standard higher for the rest—in conduct and achievement, in the classroom, and in extracurricular activities. They may be active in traditional activities such as student government, clubs, and the arts, or they may have ventured out into new or less established areas. In either case they have added to the positive spirit of our school and community. Their advice is sought, and you call on them to resolve issues. They get involved because they care about their community—not for selfish reasons. These students may challenge you with their creativity and energy, but they excite and reward you as an educator. Without them, the senior class would have less luster. It is from this elite group we hope to select our nominees. Morehead-Cain nominees must demonstrate all of the following criteria:

- Scholarship
- Leadership
- Moral force of character
- Physical vigor

The Morehead-Cain is merit-based; neither financial need nor a student's current Interest in attending UNC should be considered. Nomination for the Morehead-Cain does not require a student to commit to attend UNC.
