Form 990 Part VI Section B Line 11a The Form 990 is distributed by email in a pdf format to all current members of the board of directors at the time the return is completed. The members have sufficient time to review the return comment before it is signed by the CEO and submitted to the IRS for processing.

Form 990 Part VI Section B Line 12c Each officer, board member, and key employee is required to submit a list annually of his or her affiliations so that the board can consider whether to use a vendor who may have a relationship with a person of influence within the organization. Also, board members are required to disclose any real or apparent conflicts when they vote on various matters that come before the board. In the case of a conflict, the person must abstain from voting.

Form 990 Part VI Section B Line 15b The board sets the compensation of officers and key employees annually before the beginning of each school year. The board has varied degrees of business experience to use in such situations for comparability purposes and the school's auditor has other clients in the same industry and would disclose to the board in his findings if officer compensation was excessive. The board members themselves draw no compensation for their duties.

Form 990 Part VI Section C Line 19 The school's bylaws, policies, and financial statements are available to the public upon request at the school's office upon submission of a request and payment of the copy charges which are minimal.
