Many people who qualify for EITC and CTC do not claim it and a large percentage of individuals who do file and claim it use Refund Anticipation Loans, paying extremely high fees. United Way's purpose is to improve people's lives by raising funds from over 20,000

donors and partnering with multiple agencies to collaborate, fund programs, and

identify solutions that address Basic Needs, Health, Income, and Education. Funding

is based on meeting a community need, measurable outcomes and good stewardship.

United Way ranks 96th out of 1,250 United Way's nationwide for total dollars raised.

Form 990, Part III, Line 4a - Program Service Accomplishments

"Allocation Services" United Way's Community Investment Process invests in local

programs to create positive change in people's lives. Funding is awarded based on a

programs ability to demonstrate that they fulfill a need in the community, make a

measurable difference in the lives of those they serve and exercise good financial

management and stewardship. Volunteers representing a cross section of the community

review each program and make the funding decisions. For the 2009 fiscal year, United

Way had 25 Community Partners and provided funding to 47 programs. United Way funded

programs provided services to more than 100,000 persons. During this time period,

2,500,000 pounds of food were distributed through one of the Community Partners

resulting in a savings of \$3,500,000 to local agencies. United Way promotes education

through programs providing results based programming after-school and during the

summer. For 2009, 33,519 youth were served in such programs and provided with

opportunities to improve their academic performance and overall health and

well-being. Through this results based and volunteer led process, the community can

be assured that their dollars are invested wisely in programs that truly make a

difference in people's lives.
