Part I		Summary		
Activities & Governance	1	Briefly describe the organization's mission or most significant activities The mission of Halifax HFH is to build quality, affordable housing with families in need in the Halifax area. The most significant activity is the construction of these homes as it involves all partners: family partner (homeowner), volunteers, Board and Committee members, staff, local community partners. The process of getting a family ready for homeownership is also a significant activity as the initial education and mentoring combined with continuing education, workshops and direct access to staff results in more successful homeownership over the long-term. Halifax HFH is a local affiliate of Habitat for Humanity International and complies with all affiliate requirements. Habitat builds homes with our family partners, sells the home at no-profit and then provides a zero-interest mortgage. Habitat for Humanity is a Christian housing ministry that works with and encourages partnerships with people of all faiths or no faith.

AFFORDABLE HOME BUILDING For fiscal year 09-10, we completed four new homes One home was built on Oleander Place in Ormond Beach on an in-fill lot in an existing neighborhood with other Halifax HFH homes Three homes were built in Flornich Woods, an affordable housing development created by the City of Datyona Beach This development is a public-private partnership wih the City of Daytona Beach and involves private business for the land and infrastructure and the construction of homes with qualified buyers by local non-profit housing providers, including Halifax HFH A total of 10 children have been provided the stability of a permanent home Because Habitat is not a give-away program - families purchase the home from Habitat at no profit and then Habitat provides a zero interest mortgage for the life of the loan The affiliate also helps to secure any downpayment or first-time homebuyer assistance funding that the family may be qualified to receive These funds help to “pay down” the mortgage before the family even moves in, giving an opportunity to ensure that the affordability of this home is sustainable for the long-term As the family makes their mortgage payments, all funds are used to help support the building of additional Habitat homes Consequently, while one family is helped in this fiscal year - all families that work with Habitat in the future are also assisted This particular development required much staff and volunteer Board Member time The planning and process took several years and this past year (this fiscal year) required more specific staff member expertise in the creation of the actual how-to plan with City staff Finally, a continuing significant program service is the on-going education for our homeowners Habitat wants each homeowner to be successful for the long-term and has found that it is important to define what is required in successful homeownership Staff is involved in the development of the education program but also relies on the involvement of committee members to help facilitate that effort

OPERATION AND MANAGEMENT OF THRIFT STORE IN DIRECT SUPPORT OF AFFORDABLE HOUSING PROGRAM The purpose of the HomeStore is to raise funds for our affordable home building program and also to serve as an ambassador for the Habitat mission Sometimes a donor or customer to the HomeStore first learns about the Habitat mission and our local affiliate work in this manner Many times these individuals become regular volunteers and/or donors to the program The store also serves the local community which is largely comprised of low-income households in that the store sells donated building materials, home furnishings and appliances at prices that are on average 50-75% of what these items would cost new at retail price The store also provides an opportunity to recycle and reuse-saving landfill space and helping the environment
