Schedule A (Form 990-EZ) 2009

Part IV

This foundation was set up to provide charitable support to needy IRC 501(c)(3) organizations in South Sarasota County. The professional staff does not get one penny of compensation, benefits or expense reimbursement. Our two clerks are the only people compensated in any manner and they get paid an hourly wage below that paid to any IRS clerks, and they receive no benefits what so ever.

The Treasurer who filled out these forms to the best of his abilities is also an unpaid volunteer.

Our society has plenty of needy organizations and we are trying to do our part in helping them by raising money through various "fun" social events. Some of these events such as our bi-annual tour of homes have over 100 unpaid volunteers.

I have attached a copy of this year's annual report which contains much information on our Foundation including a Grants Distribution schedule which shows the exact IRC 501 (c)(3) organizations which received funds along with the actual amounts donated.

This enclosed Grants Distribution Schedule which is part of the annual report was actually printed when the grants were distributed which was well before the actual annual report was made up. This schedule shows that our Foundation gave out \$93,600, which at the time that it was printed was correct. However, the Epilepsy Service of SW Florida subsequently returned their check not cashed. Also, the Venice Area Audubon Society returned an unused amount after the schedule was printed. Because of this, the \$91,935 which is shown in the body of the report is correct. This discrepancy was not discovered until this Form 990-EZ was being prepared.

Question 41 on Part V of the Form 990-EZ asks which states a copy of this Form is filed with. Florida was given as an answer, but this is a hard question to respond to. The State of Florida does not have a version of the Federal Form 990 for tax exempt entities. Instead, these entities in Florida are required to annually file and pay a fee (depending on your size) with the Florida Department of Agriculture and Consumer Services. This filing is required by Chapter 496 of the Florida Statutes which relate to tax exempt entities. This year our Florida Registration Number is CH1039. The number shown on the annual report was not updated when it was sent to printing by one of our volunteers.

In the list of Officers, Harrison Williams and Lee Williams are not related.

The amounts shown on Schedule A, Part III, Line 12 are realized gains in the Endowment Fund. This fund is managed by the Gulf Coast Community Foundation of Venice which is an IRC Section 501(c)(3) organization with assets in the hundreds of millions of dollars.

In the process of putting this return together some mistakes were apparently made by the former volunteer treasurer. A mistake was discovered on last year's Schedule A, Part III. The computation for Line 18 was incorrect because the volunteer treasurer added Line 9 into Line 10c which is supposed to be only Line 10a plus Line 10b. He showed 94.5% as his computation when the correct computation should have been 2.76%. I used the correct number on this year's tax return.

There was also a problem with Line 19 on Part I of the Form 990-EZ. The actual General Ledger numbers did not appear to reconcile with the numbers used on this area of last year's return. The correct numbers are shown on this year's return. The problem may have related to confusion with realized and unrealized gains.

PCF PRESIDENT'S ANNUAL REPORT

October 1, 2010

Dear Friend,

This year has been full of highs and lows. We began the year with troubling economic news, decreasing membership and one less fundraiser than usual while demands for our grants increased. Thanks to the dedication of many people, we ended the year on a high note. When the grants were distributed in April, Plantation Community Foundation surpassed the \$2 million dollar mark in grants. That is a superb achievement that was accomplished by many people over a period of 22 years.

I am very pleased to announce that PCF has received a wonderful gift from a couple who have been long-time supporters of the organization. Due to their moving away from Plantation, they made the decision to resign from the Club and to donate their equity to the Foundation. This is a win/win situation for all concerned. The donor receives a tax benefit in the year the contribution is made, and the Foundation receives funds, when released by the Club, to continue our work. We are so grateful to this generous couple, and we encourage others to consider such a gift in the future.

I extend my thanks to everyone who worked on a fundraiser, to those members who renewed their membership, to the Board of Directors, to all participants who attended our events, and to all who laid the groundwork in years past for this great organization. Because of our many dedicated volunteers and donors, the Foundation will continue to be a great asset to the community of South Sarasota County and a point of pride for those of us who participate.

The 2010/2011 PCF season is destined to be a memorable one, with a Tour of Homes and a brand new "Something Different 2011" event joining the event line-up that will also include the Royal Ride Gala, the Celebrity Golf Classic and the Fashion Show. Mark your calendars now so you won't miss any of the fun ... and the opportunity to be part of our special, vital, caring organization.

I'll look forward to seeing you soon!

Sincerely,

A handwritten signature in black ink, appearing to read "Mary Juday". The signature is fluid and cursive, with a large, stylized 'M' at the beginning.
