Total expenses from Form 990, Part IX, Line 25, Column (A) are \$19,118,094. Included in this amount was is bad debt expense of \$3,684,896. Expenses for the purpose of calculating Line 7, Column (f) are \$15,433,198.

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

The text of the footnote that is included in the Sisters of Mercy Health System, Inc. and Subsidiaries audited financial statements that describes bad debt expense follows: "Patient accounts that are uncollected, including those placed with collection agencies, are initially charged against the allowance for uncollectible accounts in accordance with collections policies of the Health System and, in certain cases, are reclassified to charity care if deemed to otherwise meet the health system's charity care policy. The provision for uncollectible receivables is based on management's assessment of historical and expected net collections considering business and economic conditions, trends in healthcare coverage, and other collection indicators. Periodically throughout the year, management assesses the adequacy of the allowance for uncollectible receivables based upon the payor composition and aging of receivables as of the reporting date with consideration of the historical payment and write-off experience by payor category. The results of these reviews are then used to make any modifications to the provision for uncollectible receivables to establish an appropriate allowance for uncollectible receivables. After satisfaction of amounts due from insurance, the health system follows established guidelines for placing past-due balances with collection agencies." To determine the amount of bad debt expense, at cost, bad debt expense attributable to patient accounts was multiplied by a ratio of cost to charges. The ratio of cost to charges used was based on detailed cost accounting, where available. Where cost accounting is not available, cost report cost to charge ratios were utilized. The filing organization determined that the estimated amount of bad debt expense (at cost) attributable to patients eligible under the organization's charity care policy is \$0. Although the charity care policy requires the participation of the patient requesting assistance, we have a process under presumptive charity (refer to disclosure for Part III, #9b) to address accounts for patients who do not provide the information. We believe that our charity policy is comprehensive enough to capture almost all patients who qualify for charity care.

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

The Medicare shortfall was computed using the annual Medicare Cost Report (CMS Form 2552-96) It is the position of the filing organization that 100% of the short fall should be treated as community benefit This amount represents cost of providing services that remain uncompensated to the provider

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

Presumptive Charity Mercy will utilize the Search America tool to enhance our ability to determine charity qualification. Presumptive charity will be granted in situations where we have been unable to obtain information from our patients or the information provided is not complete enough to make a charity determination. Mercy will utilize presumptive charity prior to bad debt placement for charity adjustments in excess of \$10,000. In these cases, Mercy will utilize the Search American report status of "probable charity" as the basis for the assigning the charity level. Mercy will pursue appropriate means in the collection of delinquent accounts from patients with an established ability to pay or an unwillingness to cooperate in validating eligibility for financial assistance, including legal action consistent with Mercy mission and values, which may include liens upon real property and reasonable wage garnishments. Legal actions will generally not include bank garnishment, repossession of assets or foreclosures to enforce satisfaction of lien. Mercy has policies and procedures established to address the initiation of legal action. Mercy annually reviews collection agency compliance with all policies.

The filing organization has printed material available at each point of registration in our facility, in addition to electronically availability at our web site. Specific information provided: Financial Assistance Information. As a part of our healing ministry, the filing organization is committed to providing quality healthcare services to patients regardless of their financial situation. We offer payment assistance for those who do not have insurance or who are in financial need. Uninsured Patient Discounts: A discount from the hospital's regular billed charges will be provided to patients who do not have insurance. This includes patients whose financial situation normally would not otherwise qualify them for charity care discounts. Patients without insurance whose financial situation qualifies them for charity care discounts (see Eligibility Guidelines below) must first find out if they are eligible for Medicaid before applying for financial assistance. Patients denied Medicaid eligibility then must provide certain information to show financial need. Applications for charity care discounts will be reviewed for eligibility based on the applicant's income, family size, amount of payment due and availability of other assets or resources. Please note that care must be medically necessary to be considered eligible for uninsured patient discounts. Eligibility Guidelines for Charity Care Discounts: The Federal Poverty Guidelines for income are the basis for determining eligibility for charity care discounts. For example, individuals with incomes below 100% of the Federal Poverty Guidelines will be eligible for free care. Individuals with incomes greater than 100% of the Federal Poverty Guidelines may be eligible for care at discounted rates depending on their income level and/or the amount due to the hospital. Additional Financial Assistance: After appropriate discounts have been applied, arrangements may be made for an interest-free monthly payment plan. Generally, no patient's financial responsibility will be greater than 10% of annual household income, adjusted to consider availability of other assets that could be used toward making payments.

As defined by the institution's charity policy, SJHS does not pursue collection of amounts determined to qualify for charity care. In addition, SJHS provides services to other patients under the Medicare Program and various state Medicaid programs. Such programs pay providers amounts that are substantially less than billed charges, and frequently less than the cost, of the services provided to the recipients. SJHS is governed by a Board of Directors which includes representation from community leaders in the organization's primary service areas. All board members are required to complete an annual Conflict of Interest survey. Any potential conflicts of interest disclosed by board members are screened by general counsel and reviewed by the board chairperson and CEO. This process ensures that public, rather than private, interests are served by SJHS. Surplus funds and unrestricted assets held by SJHS are reinvested in patient care, medical education and research initiatives which support the organization's mission to deliver compassionate care and exceptional health care services to the communities it serves.

Form 990 Schedule H, Part VI - Supplemental Information, Line 7

The filing organization is part of the Sisters of Mercy Health System ("Mercy") Mercy is a Missouri non-profit corporation with its headquarters ("ministry office") in St. Louis, Missouri. Mercy provides health care services in four states - Arkansas, Kansas, Missouri, and Oklahoma - and has outreach ministries located in Louisiana, Mississippi, and Texas. Mercy's mission is "As the Sisters of Mercy before us, we bring life to the healing ministry of Jesus through our compassionate care and exceptional service." As of June 30, 2010, Mercy facilities included 28 hospitals with 3,718 acute licensed beds (3,300 acute available beds). Mercy facilities offer a wide range of health care services across the system, including inpatient and outpatient care, rehabilitation services, cancer care, trauma care, burn care, skilled nursing, home health and hospice, sports medicine, and neonatal and pediatric intensive care. For the fiscal year ended June 30, 2010, Mercy had more than 6.3 million outpatient visits, more than 1,200 employed physicians, and approximately 28,000 employees, making Mercy the eighth largest Catholic health system in the United States based on net patient service revenue. Mercy is sponsored by Mercy Health Ministry, which is governed by members that include Sisters of Mercy. Many services that are essential to fulfilling Mercy's mission are centralized at the Ministry Office. Such centralized services include Treasury, Information Technology, Clinical Quality Management, Legal and Compliance Counsel, Compensation and Benefits, Consulting, Performance Management, Revenue Management, Capital Management, Clinical Engineering, and Clinical Safety. The centralization of such support services enables Mercy to ensure that each of its communities, whether large or small, has the services it needs.
