Part III Supplemental Information

Complete this part to provide the information, explanation, or descriptions required for Part I, lines 1a, 1b, 4c, 5a, 5b, 6a, 6b, 7, and 8. Also complete this part for any additional information.

Part I, 4a - CHW's key employees and certain officers and highly compensated employees participate in a severance plan that provides fair compensation, ranging from payments of 6 months to 2 years of base compensation, depending on the executive's position, in the event of a position elimination or other involuntary termination, in accordance with the guidelines of the plan. No Payments were issued.

Part I, 4b - Certain officers and key employees participate in the CHW Excess Benefit Plan, a nonqualified supplemental benefit plan limited to participants in the CHW retirement plan whose benefits are affected by the limitations imposed by Sections 401(a)(17) and 415 of the Internal Revenue Code. Benefit service under this plan was frozen as of January 1, 2008. No payments were made to any listed persons during 2009 pursuant to this plan. No payments were issued.

Part I, 4b -CHW's key employees and certain officers and highly compensated employees hired prior to June 30, 2006 are eligible to participate in the CHW Executive Deferred Compensation Plan, a nonqualified 457(f) plan which is intended to provide a benefit approximating the difference, if any, between the benefit provided under the CHW excess benefit plan and the benefit provided under the qualified benefit plan that substantially replaced the excess plan. No benefit will vest under the 457(f) plan before the latter of the attainment of age 62 while employed or the completion of 15 years of service. No Payments were issued.

Part I, 4b - Certain persons participate in the CHW Key Employee Share Option Plan (KEYSOP), which was frozen in May 2002. The KEYSOP program was established in 2001 with the purpose of providing income deferral opportunities to employees eligible for the company's key employee retention program. No payments issued.

Part II - CHW's executive compensation philosophy is designed to assist CHW in attracting and retaining the caliber of executives required to enable CHW to fulfill its mission of providing high quality healthcare for all persons regardless of their ability to pay for services, improving the quality of life in the communities CHW serves, promoting patient and employee satisfaction, and ensuring financial stability. A substantial portion of executive compensation is performance based and is linked to organizational goals approved in advance by the compensation and benefits committee. These goals include attainment of annual and long-term financial performance, certain healthcare quality standards and CHW's commitment to serving the poor and disenfranchised in the communities it serves. Total compensation, which includes base salary, annual and long-term incentive compensation, targets the 75th percentile of the market in which CHW competes for executives, commensurate with the size and complexity of the organization.
