| PART I, LINE 4a                   |                  | THE ORGANIZATION'S key employees and certain officers and highly compensated employees participate in a severance plan that provides fair compensation, ranging from payments of 6 months to 2 years of base compensation, depending on the executive's position, in the event of a position elimination or other involuntary termination, in accordance with the guidelines of the plan. No payments were made to any listed persons during 2009 pursuant to this plan.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

| PART II, SUPPLEMENTAL DISCLOSURES |                  | Although the organization does not directly employ any personnel, the supported organization's executive compensation philosophy is designed to assist in attracting and retaining the caliber of executives required to fulfill the organization's mission of providing high quality healthcare for all persons regardless of their ability to pay for services, improving the quality of life in the communities the organization serves, promoting employee satisfaction, and ensuring financial stability. A substantial portion of executive compensation is performance based and is linked to organizational goals approved in advance by the Compensation and Benefits Committee. These goals include attainment of annual and long-term financial performance, certain healthcare quality standards and the organization's commitment to serving the poor and disenfranchised in the communities it serves.                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
