Consumers pass through AspenPointe's many doors at different stages in their lives and recovery. During the past year, we have worked aggressively to improve and integrate our care to meet the multiple needs of our clients, whatever that stage may be. While our name may be new, this type of focus isn't. Since 1875, we have transformed and expanded to meet the ever-changing needs of our community. We continually push ourselves to do better and think outside the box, because today's solutions may fail tomorrow's needs. Mental health centers across the nation look to AspenPointe as a model of integrated care as we fine-tune our partnerships with physical healthcare providers and begin providing physical healthcare support through our telephonic wellness services. We have partnered with the Colorado Springs Fine Arts Center as part of our search for new and innovative ways to help our returning soldiers. Soldiers with combat stress disorders have made tremendous progress through participation in our Military Creative Expression course. We also expanded prevention and intervention efforts in classrooms throughout Colorado Springs and surrounding communities, while strengthening our alignment with the Colorado Department of Human Services. Our accomplishments during the last year were both numerous and varied. We have broken them down into three distinct categories, aligned with our strategic goals: Community Relevance, Integration, and Innovation. Community relevance - Worked very closely with El Paso County and the Sheriff's Office to secure detox services and continued funding for this community. - Won the bid for the El Paso County Department of Human Services Core Services contract. - Conducted outreach to at-risk populations (women with dependent children, intravenous drug users, and pregnant women) and incorporated provider incentives to encourage increased admissions for these populations. - Developed and opened a dual diagnosis unit at Lighthouse focusing on unmet needs of soldiers struggling with substance abuse and trauma issues. - Developed a partnership with the Department of Human Services to align services and connect child welfare families to mental health services. - Expansion of prevention and intervention groups in classrooms and districts throughout Colorado Springs and surrounding communities. - Implemented Mental Health First Aid, a proactive mental health literacy program, and provided training to more than 200 participants across Park, Teller, and El Paso counties. - Graduated our 1,000th GED testing student this year. Innovation - Standardized Business Planning Process, including creation of the Business Planning Support Team. - Launched the Customer Service Improvement Initiative, including employee focus groups. - The TeleCare Records System (T-RECS) was successfully implemented to track the depression, diabetes, asthma, and heart disease programs for AspenPointe TeleCare. - Presented Peer Navigator model in Washington, D.C. - Established a therapeutic summer camp program titled "Beyond the School Bell" that worked to address the clinical and educational needs of children and youth through expressive arts, tutoring and peer support. - Created and implemented a successful event for Mental Health Awareness Month (Spotlight on Stigma). - Successful creation and implementation of the Creative Program with Fine Arts Center. Military Creative Expression Collaboration and Independence Center Collaboration. - Introduced several new leadership development training initiatives to enhance employee retention and professional growth opportunities. - Designed, built, and opened the AspenPointe Caf. Integration - Launched Call Center, funneling all initial calls to a call center staff for increased customer service and access. - Started Primary Care Integration with Peak Vista at Adult & Rural Services. - Began providing Depression Care Management and Chronic Disease Management services for clients eligible for Medicaid at AspenPointe Health Network and in our Behavioral Health Organization. - Entered into a \$250,000 partnership with Pikes Peak Workforce Center for youth summer program. - The Peer Navigator program served 170 people. Ninety percent of Peer Navigator service recipients reported improved quality of life at 90 days (median number of days from intake to service was one day).

Describe how conflict of interest policy is monitored & enforced	Part VI, Question 12c	The organization has a comprehensive corporate compliance program which covers staff and directors. Compliance is monitored through internal audits of billing, medical charting, accounting, and the compliance program itself. The organization educates staff on compliance on an ongoing basis and conducts an annual on-line questionnaire to confirm staff understanding of the program. The program utilizes a hotline for reporting of suspected compliance issues. The hotline is run by a third party vendor and offers anonymity to the reporter. The staff is educated on the hotline's use and access on an ongoing basis and this knowledge is an important part of the annual staff questionnaire. Designated personnel working in areas affecting compliance report to the board of directors' compliance committee on a quarterly basis. The committee reports directly to the board. The committee or the board may make determinations of whether or not an actual conflict of interest exists. The individual with the conflict cannot participate in the decision making process and is not permitted to vote on the proposed transaction creating the conflict. The committee or the board may investigate any suspected failures to report a conflict and may take appropriate disciplinary action or corrective action.
