#### Activity One

In this fiscal year WWIN provided grants to women for health care and education in the amount of \$753,813. These grants are provided to individual women who seek and apply for the grants and who are responsible for choosing their own plan of action and provider. The WWIN Education Grant provides assistance only for tuition and books (not living expenses) at accredited institutions in the state of Washington and is available for two years. The WWIN grant is the last funding source applied to tuition and book expenses, after all federal and private grants and scholarships. The maximum amount of the education grant is \$5000 per year for up to two years (or \$10,000 total). In 2009-2010 WWIN funded 62 additional women (i.e. counting only women new this year --although WWIN is continuing to fund women who received the first year's grant last year). Payments were made to 31 Accredited educational institutions throughout Washington.

#### Activity Two

WWIN's Health Care Insurance Premium Program provides assistance for the payment of monthly premiums for clients who have health insurance. WWIN does not provide health insurance, but rather pays monthly premiums for one year on the client's behalf. In addition, the grant covers co-pays for doctor visits and hospital stays. The grant assists with coverage for the individual woman only, and does not cover prescription drugs. The maximum amount of this grant is \$4000 for insurance premiums and \$1000 for co-pays and deductibles for up to one year. WWIN funded 17 IP grantees this fiscal year. Payments were made to 61 medical providers and insurance companies throughout Washington.

Form 990-PF Summary of Direct Charitable Activities Statement 15 Activity Three The Physical, Dental, Vision & Hearing Grant provides up to \$3000 for a wide range of dental services and basic physical/vision/hearing screening exams. This grant can also cover limited expenses related to eyeglasses or hearing aids. Grant recipients can see the professionals of their choice, and can see more than one professional if necessary. Among the physical services covered are mammograms, eye exams, hearing exams, and yearly physicals, in addition to many restorative dental procedures (no cosmetic procedures are covered). In 2009-2010 WWIN provided grants to 83 women, allowing them to achieve wellness, be relieved from pain and, often restore confidence and self esteem and be better positioned to seek employment. Payments were made to 119 healthcare providers throughout Washington. Expenses To Form 990-PF, Part IX-A, line 3 185,131. Form 990-PF Summary of Direct Charitable Activities Statement 16 Activity Four WWIN's Mental Health Counseling Grant covers 24 sessions with the licensed mental health professional of the client's choice during a period of one year. Clients may choose to pursue individual or group therapy, or a combination of both. Seeing a therapist on a regular basis allows women to

sort out their past problems, develop a plan for themselves and to create a brighter future. This fiscal year, WWIN provided grants to 196 women. Payments were made to 160 mental health counseling providers throughout Washington.
