- (e) A director will not be deemed to be a trustee with respect to the Corporation or with respect to any property held or administered by the Corporation, including without limit, property that may be subject to restrictions imposed by the donor or transferor of such property.

4.2 Director Conflict of Interest.

- (a) A conflict of interest transaction is a transaction with the Corporation in which a director of the Corporation has a direct or indirect interest. A conflict of interest transaction is not voidable or the basis for imposing liability on the director if the transaction is fair to the Corporation at the time it was entered into or is approved as provided in Section 4.2(b).
- (b) A transaction in which a director has a conflict of interest may be approved:
 - (1) by the vote of the board of directors or a committee of the board of directors if the material facts of the transaction and the director's interest are disclosed or known to the board of directors or committee of the board of directors; or

A transaction may not be authorized, approved or ratified under this Section 4.2 by a single director. If a majority of the directors who have no direct or indirect interest in the transaction votes to authorize, approve or ratify the transaction, a quorum is present for the purpose of taking action under this Section 4.2.
