Form 990, Part VI, Section B, line 12c		The Conflict of Interest Policy includes board trustees and key employees. In general, when conducting the business of the School and awarding grants, a conflict of interest will be presumed when a trustee/key employee or someone with whom the trustee/key employee has a close relationship (a family member or close companion) serves as a trustee, director, officer, or stockholder of an affected organization or firm, has a formal affiliation or interest in an affected organization or firm, or could expect financial gain or loss from a particular decision. Any potential conflict must be disclosed to the Chair of the Board and shared with the Board of Trustees. All key employees/trustees must make a written statement annually on a designated form submitted to the Secretary of the Board disclosing the nature of any conflicting relationships or the absence of any conflicting relationships. All forms are reviewed and signed off by the Secretary of the Board. Any conflicts of interest are dealt with by recusing the trustee from voting on conflicted issues, and by excusing trustees or key employees from the room when a related vote is being taken.
