Form 990, Part VI, Section B, line 15		The College uses benchmark salary data from comparable higher education institution groups for all employees, including executive management positions. Salaries are also reviewed in relation to performance as evidenced by annual written performance evaluations and years in position. Compensation for Pitzer's top executives is reviewed and approved by the Trustee Compensation Committee whose charge, drawn from the bylaws, is as stated below 4.22 (a)(i) Compensation Committee. There shall be a subcommittee of the Executive Committee known as the Compensation Committee that shall review and approve the compensation, including benefits, of all of the following (a) the President, (b) the Treasurer, and (c) every person, regardless of title, with powers, duties or responsibilities comparable to a president, chief executive officer, treasurer or chief financial officer. The review included the president's performance and the external market for comparable chief executives and peer institutions. The board's Executive Committee annually conducts a performance review and recommends changes, if any, in salary or benefits for the President to the Board of Trustees, which has the ultimate authority for this determination. The Board then has an extensive discussion of the President's performance, the external market for comparable chief executives and peer institutions and the overall needs and means of the college. After thorough discussion, and given the importance that the Board attaches to its supervision of the President, the Board attempts to achieve a consensus in favor of all compensation decisions. The Board then formally approves the new compensation. For the Treasurer and Vice President of Academic Affairs, the Compensation Committee reviews and approves recommended compensation after reviewing performance, and salary and benefits in relation to the average salary and benefits packages of selected peer organizations and years in position. This process was not undertaken in 2009 as there were no salary increases for these individuals. Minutes of the committee and the analyses are kept in confidentiality, limited to the committee, the President, the Secretary of the Board, the Vice President for Administration and Finance/Treasurer, and the Director of Human Resources. The Director of Human Resources retains the minutes and analyses as documentation of this process.
