Antone & Edene Vidinha Charitable Trust

Personal History

Before turning 30, Antone "Kona" Vidinha, Jr. was the sheriff for the Koloa district on the Island of Kauai, a post his father had held. Later, he became captain of police when the county centralized its law enforcement.

Vidinha served as Kauai's chief executive from 1967 to 1972. He took office with the title of chairman and chief executive of Kauai County in 1967, but the title was changed to "mayor" during his tenure in office.

Along the way, land investments made him wealthy, and Vidinha shared this wealth through charities. One of his favorites, reportedly, was a program of scholarships for needy University of Hawaii students from Kauai. He died in 1976 at the age of 73.

Edene Vidinha was born in 1905. She was raised in Koloa, Kauai, where she first attended Koloa School. She transferred to Kawaiahao Seminary in Honolulu, graduated from Kauai High School, and received her teaching certificate from Normal School in 1926. Returning to Kauai to teach, her first assignment was at Huleia School. She later taught at Koloa School, where she retired thirty-seven years later. Edene died in 1988.

Purpose, Policy and Procedure

Purpose

The Antone and Edene Vidinha Charitable Trust was established to benefit the people of Kauai. Following Edene's death, a Distribution Committee, composed of officers of the Trustee and community members, was organized to carry out the charitable intent of the trust. Grants are made for charitable purposes to non-profit tax exempt, charitable organizations under Section 501(c) (3) and classified as a public charity under Section 509(a) of the Internal Revenue Code.

By trust provisions, contributions are awarded in four major fields:

- Churches on the Island of Kauai (no on-going maintenance projects)
- Hospitals that benefit Kauai residents
- Health organizations which benefit the people of Kauai
- Educational scholarships to colleges or universities in the State of Hawaii for deserving students from the Island of Kauai.

The Trust does not award grants or scholarships to individuals, nor for endowments or multipleyear pledges. On-going maintenance projects at churches should be funded by church members.

Policy

The Distribution Committee meets annually to consider grant requests. Proposals must be postmarked by December 1st.

Procedure

A Funding Request Cover Sheet, which can be copied from the sample provided on the last page, must be completed and attached to the front of the proposal. Applications need not be formal and should be as brief as appropriate to present the necessary facts about the applying organization and the project for which the grant is being sought. Four copies (including original) of the proposal are required for distribution to the Committee members. Elaborate and bulky proposals will not be accepted. The proposal narrative must consist of no more than three pages and include the following information:

- Brief description of the organization and its purpose.
- Concise summary of the proposed program or project, including a statement of the need or problem, description of how the activity is to be carried out, an indication of the population to be served, and plan for evaluating its effectiveness.
- Total cost of the project/program, amount requested from the Vidinha Trust, and plans for future support of the project/program.
- Statement as to qualification of individual(s) responsible for carrying out the project.

These must be attached to each copy of the proposal, not sent separately:

- A Funding Request Cover Sheet (placed on top of each copy of proposal)
- A Project Budget with a start & end date* that lists all revenue (funding sources) and expenses for the project or program. Requests for small capital and/or to purchase equipment require additional information to validate the expenses in the project budget.
