	Instruction - Mill Springs Academy is a school for approximately 320 primary and secondary level students with various learning disabilities and difficulties. Mill Springs Academy holds dual accreditation with the Southern Association of Independent Schools (SAIS) and Southern Association of Colleges and Schools (SACS). The 2010 graduating class had 25 seniors who were accepted at 43 different colleges and universities. Mill Springs Academy bases learning strategies on Comprehensive Plans developed for each student by a multidisciplinary staff. Learning strategies are generated from psycho-educational evaluations, previous school records, diagnostic skills assessment, observations, communication with other professionals involved with the student, and continued experiences with the student. Mill Springs Academy is committed to a comprehensive, holistic program design that is multifaceted to meet the needs of the "total child." Mill Springs Academy provides a carefully structured environment within a warm, supportive atmosphere. Our structural approach is an environment that involves our Community Structure, daily values groups, individualized contracts and Life Space Interview techniques. Conferences with parents are scheduled throughout the term and others are based on the immediate needs of the student as defined by the student, family or school. The Community Structure is a school wide, reality-based structure that clearly defines the responsibilities and privileges associated with each level of responsibility. The system allows the student to make fully informed choices resulting in privileges or consequences. It allows staff members to function as facilitators. Community meetings are led by the principal of each school component and involve both staff and peer feedback. The community monitors the interactions of its members and enforces the Community Structure while academic expectations and interventions are individualized. Interactive expectations are the same for all students - to respect oneself and all others of the community. When students accomplish this major goal with the help of the MSA Community, they will have acquired sound social problem-solving skills, as well as, joy and self-satisfaction in their interactions with others. The Laptops for Learning program encompasses grades 4 through 12. This program emphasizes the computer's use as a tool for learning and as an individualized intervention for learning. Because it is an intervention tool, students use their computers at home and at school. The faculty also uses laptops in the same manner, including Lower School faculty. Students in 1st through 3rd grades begin with desktops. Microsoft Outlook is used to handle e-mail, inside and outside of school. Microsoft Word, Excel, Access and PowerPoint are used for organizing, writing, editing and turning in assignments. The use of the computer for research on the Internet is integrated into the curriculum. This program is used for completing, maintaining and presenting challenging academic work. In addition, there is an organizational website to help families and students organize their activities.

4b	(Code) (Expenses \$ 374,789 including grants of \$) (Revenue \$)
	Student activities -Afternoon (PM) Program - Mill Springs Academy offers a recreational program for students 6 to 12 years old. The PM Program provides these students with a supervised, structured environment, designed to develop and enhance self esteem, socialization skills, motor skills and appreciation of activities that require the rules of good sportsmanship. Each student is placed for activities within a small peer group. Appropriate group interactions are encouraged and directed by the staff. Athletic Programs - Mill Springs Academy's goal is to assist students in establishing a healthy life style and develop an interest in at least one activity that will provide life-long positive experiences. 153 athletes competed on 12 sports teams, coached by 17 coaches and supported by 12 Booster Club members. Some of the team sport offerings for 7th-12th graders include cross country, girls volleyball, soccer, and middle, JV, varsity girls and boys basketball, wrestling, varsity baseball, track, golf and tennis. Also offered are non-competitive sports. The sports program at Mill Springs Academy is a vital part of student life. There are experienced and dedicated coaches who work hard to promote a positive team environment for the athletes. Mill Springs Academy participates in the Atlanta Athletic Conference as well as GISA with some of the sports teams. Summer Programs - The Mark Trail Camp serves students that are between the ages of 6 and 14 who need academic enrichment and/or remediation within the structure of a full day camp program where socialization skills and self esteem enhancement are emphasized. The High School Summer Program serves young people in grades 9-12 who lack necessary credits or who choose to accelerate their progression through secondary school. The program is also for students who require structure in order to fulfill appropriate academic goals, develop study and organizational skills.

Identifier	Return Reference	Explanation
Part V, Line 4	Description of Intended Use of Endowment Funds	The main purpose of the Academy's endowment funds is to provide scholarships and financial aid for students.
Part X	Description of Uncertain Tax Positions Under FIN 48	The Academy has adopted the provision of Accounting for Uncertainty in Income Taxes set forth in The Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic 740, Income Taxes. This provision clarifies the accounting for uncertainty related to income taxes recognized in an entity's financial statements, and prescribes a threshold for the financial statement recognition of tax positions taken, or expected to be taken, on a tax return that are not certain to be realized. The Academy regularly reviews and evaluates its tax positions taken in previously filed returns and as reflected in its financial statements, with regard to issues affecting its tax exempt status, unrelated business income and related matters. Management believes that in the event of an examination by taxing authorities, its positions would prevail based upon the technical merits of such positions. Therefore, the Academy has concluded that no tax benefits or liabilities are required to be recognized.
