UNITED WAY OF GREATER UNION COUNTY
Notes to Financial Statements
August 31, 2010

Note 1 - Summary of Significant Accounting Policies:

Nature of the Organization

United Way of Greater Union County ("UWGUC") is a voluntary, not-for-profit organization whose principal activities are resource development, community impact and the support of voluntary health and welfare agencies which provide services in the central New Jersey community UWGUC is an organization described under Section 501(c)(3) of the Internal Revenue Code and is therefore exempt from Federal income taxes under Section 501(a) of the Code. United Way is governed by a volunteer Board of Trustees

Accounting Method

The accompanying financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation

The accompanying financial statements have been prepared to focus on UWGUC as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

- Permanently restricted net assets - net assets subject to donor-imposed stipulations that they be maintained permanently by UWGUC. Generally, the donors of these assets permit the use of all or part of the income and gains on the related investments for general or specific purposes.
- Temporarily restricted net assets - net assets subject to donor-imposed stipulations that will be met by actions of UWGUC or by the passage of time.
- . Unrestricted net assets - net assets not subject to any donor-imposed stipulations (note 6)

Revenues are reported as increases in unrestricted net assets unless use of the related asset is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets are reported as net assets released from restrictions

UWGUC accounts for contract and grant revenues, which are exchange transactions, in the statement of activities to the extent that expenses have been incurred for the purpose specified by the grantor during the period. In applying this concept the legal and contractual requirements of each individual program are used as guidance Dollars not expended in accordance with the grant or contracts are recorded as a liability to the grantor as the UWGUC does not maintain any equity in the grant or contract. Funds received under exchange contracts in advance of their usage are classified as deferred revenue in the statement of financial position

Non-operating Activity

It is the policy of UWGUC to record the actuarially determined pension-related net gain or loss, and the settlement gain or loss, if any, for the UWGUC pension plan as non-operating activity in the statement of activities. Additionally, the activity relating to the increase or decrease in the market value of securities is included in non-operating activity and the net change is not spread among functional areas. The net periodic pension benefit cost is reflected as an operating expense.

Contributions

Contributions, including unconditional promises to give, are recognized as revenue in the period received Conditional promises to give are not recognized until they become unconditional that is, at the time when the conditions on which they depend are substantially met Contributions of assets other than cash are recorded at their estimated fair value at the date of donation. An allowance for uncollectible contributions receivable is provided based upon management's judgment including such factors as prior collection history and type of contribution. Contributions receivable are expected to be received within one year

Donors can choose to designate that their contributions be distributed to a specific organization or another United Way Such contributions are referred to as donor choice The collection of these contributions and distributions to specified agencies or United Ways are transactions in which UWGUC is acting as an agent These transactions are not reported in the statement of activities as revenue and expenses, but are included in campaign contributions on the statement of activities and then deducted as donor designated contributions before arriving at campaign contributions revenue

Note 1 - Summary of Significant Accounting Policies:

Cash Equivalents
Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and mature in three months or less at date of acquisition.

Investments
Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the statement of activities separate from the performances indicated

Grants
Grants from governmental agencies are recorded as revenue when expenses are incurred, or as granted to the sub-recipient, i.e. expended

Beneficial Interests in Perpetual Trusts
Amounts recorded as beneficial interests in perpetual trusts are measured based on the fair value of assets contributed to the trusts as of August 31, 2010. Annual distributions from the trusts are reported as investment income that increase unrestricted net assets, and changes in the fair value of the assets are recognized in the statement of activities as net realized and unrealized gain (loss) on beneficial interests in perpetual trusts that increase or decrease permanently restricted net assets.

Land, Building and Equipment
Land is recorded at cost. Building and equipment are recorded at cost less accumulated depreciation. Depreciation is provided on a straight-line basis over the estimated useful lives of the respective assets, which range from five to twenty-five years

Expenditures for maintenance and repairs are charged to activities as incurred Expenditures for betterments and major renewals are capitalized and, therefore, would be included in property and equipment.

UWGUC reviews long-lived assets, including property and equipment, for impairment whenever events or changes in business circumstances indicate that the carrying amount of the assets may not be fully recoverable. Management has determined that no assessment was required for the period presented in these financial statements.

Distributions
Distributions are recorded as expenses when they are approved by the Board of Trustees and communicated to the respective agencies and are generally payable within one year

Deferred Revenue
Deferred revenue represents program service revenue received in advance of services being rendered and is recognized in the period in which the services are rendered.

Shared Expenses
United Way of Greater Union County has a shared expense arrangement where employees perform operational services for other United Ways The expenditures related to these services are recorded as an offset to expenses in the statement of functional expenses.

Functional Allocation of Expenses
The costs of providing the program and supporting services of UWGUC have been summarized on a functional basis in the financial statements. Accordingly, certain costs have been allocated among the functional categories benefited

Note 1 - Summary of Significant Accounting Policies:

Concentration of Credit Risk

UWGUC maintains various bank accounts At times amounts in those accounts may be in excess of the Federal Deposit Insurance Corporation insured limit. Management monitors the soundness of the institutions and has not experienced any loss to date.

Thirty two percent of revenue was derived from cost reimbursement type state grants for the year ended August 31, 2010. The loss of the grants would result in a corresponding decrease in expenses, therefore it would not have a material impact on the UWGUC.

Donated Services

A substantial number of volunteers have donated their time to UWGUC's program services and its fund-raising and administrative functions No amounts have been included in the accompanying financial statements for donated services since such services do not meet recognition criteria specified in accounting standards related to accounting for contributions received

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates

Income Taxes

UWGUC is a not-for-profit corporation that is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue code and New Jersey taxation codes Accordingly, no provision for income taxes has been reflected in the accompanying financial statements

UWGUC adopted the pronouncement related to income taxes effective September 1, 2009 and there were no uncertain tax positions at that date of adoption or at August 31, 2010.

UWGUC files tax returns in the U.S. federal jurisdiction and New Jersey UWGUC has no open tax years prior to 2007.

Note 2 - Cash and Cash Equivalents:

A summary of cash and cash equivalents is as follows as of August 31, 2010.

Cash	$	113,334
Money market accounts		131,820
Total	$	245,154

Note 3 - Contributions Receivable:

Campaign receivables, expected to be received in the next fiscal year, consist of the following at August 31

	2010
2010 - 2011 Campaign receivables	$ 1,744
2009 - 2010 Campaign receivables	1,454,562
	1,456,306
Less, *allowance for uncollectible amounts*	(116,365)
Contributions receivable, net	$ 1,339,941

Campaign receivables are unconditional promises to give by individuals and corporations, and amounts collected by third parties (note 8) on behalf of UWGUC and its member agencies that have not yet been received

The carrying amount of receivables is reduced by a valuation allowance that reflects management's best estimate of amounts that will not be collected. The allowance is based on prior years' experience and management's analysis of specific promises made In addition, amounts collected by third parties on behalf of UWGUC and its member agencies are reduced by amounts deemed to be uncollectible by the third party collector. Payments on pledges are applied to the specific pledges identified on the remittance or, if unspecified, based on management's discretion

Note 4 - Investments:

Investments at August 31, 2010, amounting to $755,059 are stated at fair market value

Recurring Fair Value Measurements

Pursuant to the accounting standards related to fair value measurements, UWGUC has provided fair value disclosure information for relevant assets and liabilities in these financial statements The following table summarizes assets (liabilities) which have been accounted for at fair value on a recurring basis as of August 31, 2010, along with the basis for the determination of fair value.

		Basis for Valuation		
	Total	Quoted Prices in Active Markets	Observable Measurement Criteria	Unobservable Measurement Criteria

	$ 2,085,599	$ 1,829,332	$ 256,267	$ --

It is UWGUC's policy to treat unrealized gains and losses as non-operating in the statement of activities.

Investment income, exclusive of amounts received related to the perpetual interests in beneficial trusts, consists of the following for the year ending August 31:

	2010
Dividends and interest	$ 14,390
Unrealized gain (loss)	20,656
	$ 35,046

Note 5 – Endowment Funds:

UWGUC's endowment consists of funds established to support children's initiatives and the community fund. Its endowment includes donor-restricted endowment funds. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. UWGUC's endowment funds consisted of unrestricted and permanently restricted net assets.

In accordance with New Jersey Uniform Prudent Management of Institutional Funds Act ("NJUPMIFA"), which was passed during UWGUC's 2009 fiscal year, UWGUC considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds

1. The duration and preservation of the fund
2. The purposes of UWGUC and the donor-restricted endowment fund
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of investments
6. Other resources of the UWGUC
7. The investment policies of the UWGUC

Change in endowment net assets for the year ended August 31, 2010 is as follows

	Unrestricted	Permanently Restricted	Total
Endowment net assets, beginning of year	$ 514,304	$ 155,175	$ 669,479
Investment return			
Investment income (loss)	20,656	--	20,656

Endowment net assets, end of year	$ 514,304	$ 155,175	$ 669,479

Funds with Deficiencies
There were no such deficiencies as of August 31, 2010.

Spending Policy and How the Investment Objectives Relate to Spending Policy
All earnings from endowment funds are allocated for specified uses as requested by the donor To meet these objectives UWGUC utilizes a total return investment approach, which emphasizes total investment return consisting of investment income and realized and unrealized gains or losses and, accordingly, invests in equities

UWGUC receives revenues from the trusts to be used for unrestricted purposes based on annual earnings of assets. All earnings on beneficial interests are available for unrestricted purposes The change in fair value of trust assets was a gain of $77,385 for the year ended August 31, 2010 and is included in net realized and unrealized loss on investments and beneficial interest in perpetual trusts for the year then ended

UWGUC is a participant of United Ways of the New York, Connecticut and New Jersey Region which was formed to consolidate and coordinate fundraising for the charitable activities of autonomous local United Ways in New Jersey, New York, and Connecticut.

United Ways of the New York, Connecticut and New Jersey Region's formula provides for sharing unrestricted campaign contributions from coordinated system-wide accounts. Campaign contributions raised from local non-coordinated accounts are retained by the local United Way raising them and are not available for sharing through the United Ways of the New York, Connecticut and New Jersey Region distribution formula Coordinated system-wide accounts contributions are segregated into restricted and unrestricted funds based on the donor's directions. Restricted contributions, less a processing fee, are distributed directly to the appropriate organization and do not affect the distribution of unrestricted contributions.

Unrestricted contributions from coordinated system-wide accounts are distributed to the participants based on a "where raised factor", a "community need factor", and grant funding for community impact work Accounts payable as of August 31, 2010 includes $26,747 due to United Ways of the New York, Connecticut and New Jersey Region resulting from an overpayment of contributions

Currently, United Way of America and Trust are managing the formula distribution and restricted giving, respectively, for subsequent campaign years.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Trustees,
United Way of Greater Union County:

We have audited the financial statements of United Way of Greater Union County as of and for the year ended August 31, 2010, and have issued our report thereon dated November 30, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered United Way of Greater Union County's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of United Way of Greater Union County's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of United Way of Greater Union County's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above

Compliance and Other Matters
As part of obtaining reasonable assurance about whether United Way of Greater Union County's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

This report is intended solely for the information and use of management, the audit committee, others within the entity, and State awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditors' Report on Compliance With Requirements That Could Have A Direct and Material Effect on Each Major Program and on Internal Control Over Compliance In Accordance with the State of New Jersey, Department of the Treasury, OMB Circular 04-04-OMB

To the Board of Trustees,
United Way of Greater Union County:

Compliance

We have audited the compliance of United Way of Greater Union County's compliance with the types of compliance requirements described in the *New Jersey State Grant Compliance Supplement* that could have a direct and material effect on its major state program for the year ended August 31, 2010. United Way of Greater Union County Inc.'s major state program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs Compliance with the requirements of laws, regulations, contracts, and grants applicable to its major state program is the responsibility of United Way of Greater Union County's management. Our responsibility is to express an opinion on United Way of Greater Union County's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing *Standards,* issued by the Comptroller General of the United States and the State of New Jersey, Department of the Treasury, OMB Circular 04-04-OMB. Those standards and OMB Circular 04-04-OMB require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred An audit includes examining, on a test basis, evidence about United Way of Greater Union County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of United Way of Greater Union County's compliance with those requirements.

In our opinion, United Way of Greater Union County complied, in all material respects, with the requirements referred to above that could have a direct and material effect on its major state program for the year ended August 31, 2010.

Internal Control Over Compliance
The management of United Way of Greater Union County is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to state programs. In planning and performing our audit, we considered United Way of Greater Union County's internal control over compliance with the requirements that could have a direct and material effect on a major state program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with State of New Jersey OMB Circular 04-04-OMB, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of United Way of Greater Union County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal and state program will not be prevented, or detected and corrected, on a timely basis

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above

This report is intended solely for the information and use of management, the Board of Directors, others within the entity and state awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.
