NET ASSETS

Other changes in net assets or fund balances – explanation:  
\$1,905

The difference of \$1,905 is the result of checks written in the prior year and voided in the current year. Voided checks were the result of a duplicate payment to a vendor for Western Zone uniforms and sanction reimbursement checks that were not cashed or lost. There was also a deposit recorded in the current year which was an error and voided after year end which was reflected in the adjusted account balances as of 8/31/10. All accounts have been reconciled and any voided checks or deposits recorded in error were adjusted based on reconciled balances.
