As the event was initially conceived, it was anticipated that there would not be any charitable donation value, as it was believed the first year costs would be equal to the amount charged per player for the tournament. It was later determined that the costs were less once the program was completed. As the event will continue as a fundraising event, the Hospital has established a written disclosure statement, in accordance IRS requirements, that will be issued to all tournament participants. The respective statement will outline a good faith estimate of the cost per person for the goods and services provided and that any charitable donation is limited to the amount in excess of the good faith value assigned.
