Form 990 EZ - 2009

Part I – Line 10 - Explaining Grants - Book Scholarship Awards

Eleven of twenty-one members of the coaching staff for our 6-week summer lacrosse program are players attending college. Most play on their college's lacrosse or club team. They volunteer in excess of 30 hours during our summer program coaching our players at practice sessions or games. In the 2009-10 fiscal year, \$2,650.00 in book scholarships were awarded players attending college.

In July 2003, the Board of Directors approved awarding a Book Scholarship to college students who coach and/or help our summer youth groups as long as they are attending college. No application form is necessary, and the Board of Directors can set the amount from year to year.

The only requirements for the recipients of our book scholarships are the youth coaches: (1) be an active coach for our association during the 6-week summer session, and (2) a full-time college student. There are no restrictions or limitations in the selection process as the criteria for qualifying for our book scholarships are quite specific. The maximum scholarship awarded to any college student is \$300.

Due to the high cost of college textbooks, the Board of Directors did not feel it was necessary to develop elaborate monitoring procedures for the use of the book scholarships, as the average full-time college student carries 4-6 classes each semester, and the scholarship awarded would minimally amount to less than half of the cost a semester's book needs.

It was felt this would be a nice way to say "thank you" to them for volunteering their time to work with our players.
