Form 990 Schedule H, Part VI - Supplemental Information, Line 7

Part VI, Line 7 The organization is part of an affiliated health care system called Ministry Health Care, Inc. The mission of Ministry as a Catholic health care system is to further the healing ministry of Jesus by continually improving the health and well being of all people, especially the poor, in the communities served. Ministry supports such non-hospital facilities as the Agape Community Center. As a community center, it has the unique advantage of welcoming youth, adults, families and seniors into the facility through a broad range of educational, social, recreational, cultural, health and life-long learning opportunities in an impoverished portion of Milwaukee. Our Catholic Identity expects leaders to initiate and support efforts to reach out to the poor and vulnerable people, especially where no one else wants to go. Health care can become very bureaucratic and burdened with oversight of finances, regulatory requirements and strategic planning. Our focus on these issues may cause us to lose touch with those for whom we have a primary responsibility, those who are poor and vulnerable. Tithing of time allows us to look into the face of the poor, hear the voice of the poor, and help us better understand the daily challenges and barriers they face. As an affiliated health system, all leaders with direct reports are required to provide service to the poor. This also includes physician leaders and hourly supervisory staff. The organization also participates in the Ministry Health Care Fund which provides monies for special projects within the communities we serve. All organizations sponsored or co-sponsored by Ministry Health Care, Inc. set aside monies each year to assist with the needs of the community and the poor. As the Ministry Health Care Fund, these dollars are funneled back into our communities for a variety of programs and services through a community assets and needs assessment process.
