### **Part XVI-B (990-PF) - Relationship of Activities**

Line Number	Explanation
1 a	AHEC grant addresses critical health professional workforce needs and improve South Dakotans' health status, including access to essential primary medical care. This will occur primarily by linking higher education, and specifically health professions programs, with rural/underserved communities to build a network to link/bridge K-12 schools, healthcare professionals and organizations to encourage students to pursue healthcare careers.
1 b&c	Sponsored a Certified Nursing Assistant Institute for 8 students to prepare them for passing the CNA exam. The project focused on all aspects of the healthcare profession, especially in underserved areas
1d	The Career Connections Network commenced its project via coordination meetings and contacting school systems to build a network to link/bridge K-12 schools, healthcare professionals and organizations to encourage students to pursue healthcare careers.
1e	The Susan G Komen "Breast Health Care Troupe Program" will enhance access to quality health care, particularly primary and preventative care, by improving the supply and distribution of health care professionals through community/academic educational partnerships. Programs were developed to address training/education needs of health professionals, with a focus on those practicing in rural/remote areas and to provide opportunities for continuing education in health professions
