Dane G. Hansen

When Dane G Hansen died on his 82nd birthday in 1965, he left the bulk of his fortune to a charitable foundation Among his many charitable interests during a long and active lifetime were young people and education Recognizing his concern for people, the Trustees of the Hansen Foundation authorized a "Hansen Scholarship Program" which will annually offer scholarships to be used for students from this area The full details of this program are explained in this brochure Any student who meets the criteria is eligible to apply There will be no distinctions drawn on religion, color, creed, or station in life

That is the way Mr Hansen would have wanted it As a son of immigrant parents who came from Denmark to establish a home on the Kansas frontier in 1872, Dane G was born to Peter and Alpha Gray Hansen at Logan, Kansas, Jan 6, 1883 He lived and worked all of his life within a stone's throw of his birthplace, and it is fitting that the magnificent Dane G Hansen Museum is built on the block where he was born

Dane G Hansen joined his parents in the mercantile business in 1905 and later branched out into ranching, cattle breeding and raising mules Since earth moving was done by mule teams, he started an earth-moving business which evolved into road and bridge construction In this field, his business spread over a wide area of Northwest Kansas – the 26 counties from which the Dane G Hansen Scholarship recipients will be chosen

In the 1930's Mr Hansen went into oil development and was one of the largest independent oil producers in Kansas at the time of his death Most of his oil production was concentrated in Norton, Phillips, Graham and Rooks counties

Although Mr Hansen never sought or desired public office, he was civic minded and served with distinction in many ways As a personal friend of former President Dwight Eisenhower, Mr Hansen was a member of the President's Commission on Inter-Governmental Relation in 1954 and 1955 and a Vice President of the Board of Trustees of the Eisenhower Foundation

Mr Hansen was always interested in young people He established the Dane G Hansen Boy Scout Camp at Kirwin and maintained scholarships for graduates of Logan High School His generosity toward church, civic and school related activities in his home community was legendary In addition to being active in civic organizations in his home community, Mr Hansen served as Vice-President and Director of the Kansas Independent Oil and Gas Association, Chairman of the Kansas Contractors Association, Chairman of the Kansas Contractors Association Pension Trust Plan, and Past President of the Kansas Day Club

Dane G Hansen was a man who amassed an enormous fortune without losing the common touch He was sincere and industrious He was an astute businessman who knew the value of a dollar and insisted on honest workmanship At the same time, he was generous in his personal relationships and had friends – good friends – in all walks of life

Mr Hansen stood tall among his fellow men – dignified but never austere, straight but not unbending, forthright but compassionate He was an outstanding citizen in every sense of the word, and the Trustees of the Hansen Foundation believe he would be pleased that his fortune can now be used to help others

Certainly, the improvement of educational opportunities for students in the area he loved ranks high among the objectives of the Trustees of the Hansen Foundation It is the purpose of the Scholarship Committee appointed by the Foundation Trustees to make selection of scholarship winners without discrimination in any form Students in stipulated areas will be chosen for their future potential based on the factors touched upon elsewhere in this brochure

The Trustees of the Dane G Hansen Foundation hope that good citizenship and good scholarship will be encouraged and that the attributes of the late Dane G Hansen will provide guidance for outstanding careers of service to its honorees

To carry out the program, a Scholarship Committee comprised of four members will determine the scholarship recipients These members are Gary Hulett, Chairman, Hays Gerry Anschutz, Colby Delbert Stanton, Hays and Glennys Doane, Downs All have superior backgrounds in civic and public service and are well qualified to judge the future potential of applicants for scholarships

Payment Process

Scholarship payment will be made to the college or university chosen by the honorees Funds will be drawn as stipulated by the administering agency, but only for the use of the honorees who shall be entitled to draw the full amount of the scholarships for educational purposes Payments will be made to the school as soon as certification of enrollment is received by the Hansen Foundation

Scholarships may be partially or fully taxable For degree candidates the part of the scholarship used for books, fees, tuition and other direct expense is tax free The remainder, including the portion used for room and board, is taxable It will be the recipient's responsibility to keep records of the amounts received and the amounts paid for direct expenses In addition, it will be the recipient's responsibility to file income tax returns, if required

Conditions of Acceptance

Letters of acceptance of scholarships must be received by the Foundation by June 15, 2010. If not received by that date, the scholarship will be withdrawn.

Recipients of the Dane G Hansen scholarships are expected to enroll in appropriate institutions of higher learning without delay and in the fall term of the awarding year Deferrals are rarely given and only under unusual circumstances In such a case, the Hansen Foundation must be notified and a written request for postponement must be submitted for consideration by the Scholarship Committee Failure to enroll in a qualified college or university by no later than the fall term of the next year will result in cancellation of any grant made under the Hansen Scholarship Program

The Foundation Scholarship Plan has been approved as required by law in broader and more complete form than set out in this brochure The Foundation reserves the right, in its discretion to interpret and to deviate from the plan as stated here, but only if such interpretation or deviation is permitted by the approved plan
