Part V, Line 4	Description of Intended Use of Endowment Funds	Description of the Intended Uses of the APA Foundation proceeds are used for the Planning Foundation of American Planning Association for philanthropic activities, scholarships, hazard mitigation and post disaster planning and community equity programs
Part X	Description of Uncertain Tax Positions Under FIN 48	On October 1, 2009, the Association adopted the FASB-issued guidance for uncertainty in income taxes, which addresses the determination of whether tax benefits claimed on a tax return should be recorded in the financial statements. Under this guidance, the Association may recognize the benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Association and the various positions related to the potential sources of unrelated business income (UBIT). The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. At October 1, 2009 and September 30, 2010, there were no unrecognized tax benefits identified or recorded as liabilities.
