Pt X The Society is a nonprofit entity and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Therefore, contributions to the Society are tax deductible under Section 170 of the Internal Revenue Code. The Society files an IRS Form 990-T to report all unrelated business income annually. The Society's unrelated business income arises from the sale of advertising in the Society's magazine. The Society is not classified as a private foundation by the Internal Revenue Service.

On October 1, 2009, the Society adopted the recommendations of the Financial

Part XIV Supplemental Information (continued)

Accounting Standards Board (FASB) in its Accounting Standards Codification (ASC) for Accounting of Uncertainty in Income Taxes without any material effect to the financial statements. These recommendations clarify the accounting for uncertainty in income taxes by prescribing the recognition threshold a tax position is required to meet before being recognized in the financial statements. They also provide guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Society has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Society believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the Society's financial condition, results of operations or cash flows. Accordingly, the Society has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at September 30, 2010.

With few exceptions, the Society is no longer subject to U.S. Federal, state or local tax examinations by tax authorities for years beginning before September 30, 2006.
