Public Policy --"A popular government, without popular information, or the means of acquiring it, is but a prologue to a farce or a tragedy a people who mean to be their own governors must arm themselves with the power which knowledge gives " -- James Madison, Chief Architect of the U S Constitution and U S PresidentOverview When FRC was established over twenty-five years ago, there were woefully few voices advocating for the primacy of the family at the national level Liberal policy makers, activist judges, and much of the media and academia considered traditional moral values nothing more than the vestiges of a bygone era In 1983, Family Research Council was established in the heart of Washington, D C with the mission to educate Americans about the central role the family plays in the nation's well-being FRC would serve as a strong rejoinder to those working to undermine the family and the Judeo-Christian values upon which our nation was founded and would demonstrate the veracity and efficacy of those values in contemporary society Although FRC has worked successfully to temper the previous policy of unrestricted access to abortion on demand, the tragedy of abortion-on-demand is with us Liberal policy makers and judicial activists continue to assail the institution of marriage, and liberal special interest groups outnumber and outspend FRC However, with faith that right makes might, as Abraham Lincoln once said, FRC continues to advance a pro-faith, pro-family, and pro-freedom agenda with great effect FRC’s policy analysts develop research papers, legal briefs, and regular publications on a wide variety of family issues These include booklets, our series of Perspective papers, pamphlets, Insight papers, lecture summaries, From the Podium papers, and InFocus papers FRC’s Center for Family and Religion is dedicated to demonstrating that faith and family are vital components of a healthy society The Mapping America Project makes this case in compelling fashion using federal surveys and providing detailed reports for policy makers, pastors and concerned citizens Op-eds written by FRC’s policy staff have appeared in USA Today, The Washington Post, The Washington Times, National Review On-line, Politico, World Net Daily, and many other print and online news outlets FRC released a powerful documentary on the dangerous Employment “Non-discrimination” Act, part of our effective grassroots education campaign that has stymied liberal efforts to advance this bill The documentary has been aired on influential satellite channels and distributed to thousands of FRC constituents FRC organized and led a national Call2Fall on July 4, which saw participation by roughly 1 million Christians in all 50 states Prayer and repentance on behalf of our nation remains a vital part of FRC’s mission When President Obama set forth overturning the military’s Don’t Ask Don’t Tell policy as a key policy goal in his State of the Union address, FRC experts went to work FRC’s Policy team examined the Defense Department’s survey, and conducted our own survey of military members and their families Our findings educated and equipped Congressional and grassroots leaders to thoughtfully and forcefully oppose this policy change FRC’s policy experts are frequently invited to provide a pro-life, pro-faith perspective in the media They have also testified before legislative committees at the state and federal level, held meetings at the Vatican, participated in the World Congress of Families, and represented FRC around the world

COMMUNICATIONS The mission of FRC is timeless, but the way in which we communicate that mission must be constantly adapted to incorporate new technologies and reach new audiences The Communications Department is responsible for the public image of FRC, they interact on a daily basis with the press corps and ensure that FRC’s positions are clearly communicated and accurately represented In 2010, the Communications Department tracked 11,000 media hits for FRC (news print, television, and online news sites), including appearances on the major television networks (CNN, FOX, NBC, ABC) Communications is also tasked with creating FRC’s press releases This mailing list, with thousands of subscribers, gives the media and constituents a pro-family perspective on breaking news within moments of its occurrence Communications played host to the annual Blogs for Life conference, and Webcast numerous live events on www frc org The FRC blog, YouTube channel, Facebook pages, Twitter accounts, and our radio presence play an important role in increasing FRC’s influence in the culture and presence in the media

| Part X | Description of Uncertain Tax Positions Under FIN 48 | FRC has adopted the accounting standard related to uncertain income tax positions. The standard requires that realization of an uncertain income tax position must be more likely than not (i.e., greater than 50% likelihood of realization) before it is recognized in the financial statements. Furthermore, the standard requires that the amount recognized be the same as that which would be determined as a result of a review by tax authorities having all relevant information. During the year ended September 30, 2010, management did not identify any uncertain income tax positions. At a minimum, the September 30, 2007 through 2010 tax years are open for examination by taxing authorities. |
