ALL OTHER PROGRAM AREAS-- "The foundations of our society and our government rest so much on the teachings of the Bible that it would be difficult to support them if faith in these teachings would cease to be practically universal in our country " -- Calvin Coolidge, 30th President of the United States of AmericaOVERVIEW Founded in 1992, FRC Action is the non-profit and tax-exempt legislative action arm of Family Research Council. Its mission is to educate both the general public and cultural leaders about traditional American values and to promote the philosophy of the Founding Fathers concerning the nature of ordered liberty. FRC Action fortifies the traditional foundations of civil society through its efforts to educate, inform and influence elected and appointed officials in support of the country's historic ideals of equality under the law, and the unalienable rights to life, liberty, property and the pursuit of happiness. As a 501(c)(4), non-profit education and lobbying organization, FRC Action can spend 100 percent of its time, budget and staff resources lobbying Congress, state legislatures and the public on behalf of families across the country. FRC Action has underwritten the costs of video campaigns on public policy issues, supported advocacy advertising on these issues, and provided the nation's political parties with information on traditional American values. With political liberals in control of the House, Senate, and the White House, FRC Action has been at the center of many policy storms this year: the momentous passage of health care reform, the months long battle over the repeal of Don't Ask Don't Tell, challenges to marriage in the states and the gradual undermining of DOMA. FRC Action mobilized the grassroots to oppose a civil unions bill in Hawaii, and at the last minute, Governor Lingle responded and vetoed the bill. FRC Action also mobilized a groundswell of opposition to the DISCLOSE Act, which would have limited free speech for organizations like ours during election cycles. The Senate rejected the bill. FRC Action's growing influence on Capitol Hill is partly explained by the growth of FRC Action's membership, which increased from 19,000 to almost 23,000 last year. With almost 270,000 Grassroots Action Alert email subscribers and a mailing list of over 33,000, FRC Action shapes and influences policy debates in our nation's capital and across the country. FRC Action's bi-monthly membership Bulletin has a readership of almost 11,500, and provides in-depth coverage and analysis of electoral issues from around the nation. FRC Action members can also login to www.frcaction.org to access the True Blue Blog, which provides state-by-state analysis and commentary on upcoming elections. To accomplish our goals, FRC Action employs virtually every form of modern media. At the fore of FRC Action's efforts is our primary website, www.frcaction.org, which had over 342,000 unique visitors throughout the fiscal year. FRC Action staff also use The Cloakroom Blog (www.cloakroomblog.com) to provide supporters with inside information on happenings in Congress and daily commentary on topics related to faith, family and freedom. In addition to producing Congressional Vote Scorecards, which grade legislators based upon key votes, FRC Action also produces Action Update emails, Action Press Releases, and Grassroots Action Alerts when political or electoral issues are raised. FRC Action produced various informational products, including research reports, speech transcripts, booklets, email alerts, talking points and brochures, and CDs and DVDs. For 18 years, FRC Action has stood as a consistent and effective advocate of the family. It has endured the storms of hostile administrations, softening economies, and unrelenting opposition from special interest groups. With the prayers and financial support of families across America, we defend and advance a standard of faith, family and freedom. We remind our countrymen of the beliefs that have sustained us for over two centuries, and in so doing we strengthen the foundations of our great republic. Trusting in the providence of Almighty God to guide and establish the work of our hands, FRC Action will continue to be a champion for the family, for marriage, for the dignity of each human being, and for the unalienable rights endowed to us by our Creator.
