Part XV Statement Re: Background and Purpose

The Cobb Family Foundation (the "Foundation") is a not-for-profit corporation founded in 1984 by the family of Ambassadors Charles E. Cobb, Jr. and Sue McCourt Cobb. The Foundation supports institutions of higher education and selected charities that promote the quality of life in communities in which the Cobb family has an established interest. All of the organizations must have a demonstrable history of fiscal responsibility.

The Foundation's Board of Trustees meets periodically to review requests for contributions. All contributions must be approved by the Board of Trustees.

Requests for contributions should include a brief history of the organization, a current list of members of the Board of Directors and senior executives, the current annual budget, the entity's percent management/administration costs to dollars distributed, the proposed use of requested funds and the amount of the request. Further, the Foundation will require a copy of the organization's tax exemption certificate.

All requests should be mailed to:
