Identifier	Return Reference	Explanation
Part X	Description of Uncertain Tax Positions Under FIN 48	Part X, Line 2 - FIN 48 (ASC) Footnote Effective October 1, 2009, the Organization was required to adopt the revised provisions of ASC 740, relating to uncertain tax positions. These standards require management to perform an evaluation of all tax positions taken or expected to be taken in the course of preparing the Organization's tax returns to determine whether the tax positions meet a "more likely than not" standard of being sustained under examination by the applicable taxing authorities. This evaluation is required to be performed for all open tax years, as defined by the various statutes of limitations, for federal and state purposes. The Organization is only subject to income taxes on UBTI as applicable. As a result, the Organization is required to file informational returns for federal and state purposes and, if it has UBTI, federal and state income tax returns. With limited exceptions, the Organization is no longer subject to tax examination for any years earlier than 2006 for federal and 2005 for state. Management has performed its evaluation of tax positions taken on all open tax returns and has determined that there were no positions taken that do not meet the "more likely than not" standard.
