Part V, Line 4	Description of Intended Use of Endowment Funds	The Organization's endowment funds were established to provide general support to the organization's mission.
Part X	Description of Uncertain Tax Positions Under FIN 48	On October 1, 2009, the Organization adopted authoritative guidance issued by the FASB which clarifies the accounting for uncertainty in income taxes recognized in the Organization's financial statements and prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Tax positions for purposes of application of this guidance include the tax status of the Organization as an entity exempt from tax, and also to what degree the Organization's activities give rise to unrelated business taxable income ("UBTI"). This guidance also addresses de-recognition and measurement of a tax position taken or expected to be taken in a tax return. The adoption of this guidance did not have a material effect on the Organization. The Organization did not have unrecognized tax benefits as of September 30, 2010 and does not expect this to change significantly over the next 12 months. In connection with the adoption of the guidance pertaining to uncertain tax positions, the Organization will recognize interest and penalties accrued on any unrecognized tax benefits as a component of income tax expense. As of September 30, 2010, the Organization has not accrued interest or penalties related to uncertain tax positions.
