Identifier	Return Reference	Explanation
Form 990, Part VI, Section B, line 11		The 990 is provided to the Audit Committee of the Board of Directors by internal audit after it is approved by management and reviewed by our external tax firm. The Audit Committee reviews the 990 and raises any issues to management for resolution. The final 990 is e-mailed to the entire Board of Directors, then filed electronically with the IRS and posted to World Vision's web site.

Identifier	Return Reference	Explanation
Form 990, Part VI, Section B, line 12c		World Vision has a written Conflict of Interest Policy. Annually, all employees complete a disclosure form identifying transactions and relationships which may be a conflict of interest. Management reviews all disclosed conflicts and determines whether any conflict exists. Any conflicts are raised for review to a committee which includes the CFO, Internal Audit and Legal. Whatever action deemed necessary by this committee is taken, sometimes in consultation with the President. Internal Audit provides a summary report to the Board of Directors via the Audit Committee. There is a similar process for the Board of Directors to submit a conflict of interest disclosure form annually. The Board of Directors' disclosures are reviewed by management. Any issues are taken to the Board of Directors for resolution, excluding the Board member for whom the conflict exists.

Identifier	Return Reference	Explanation
Form 990, Part VI, Section B, line 15		Annually, the Executive Committee, after seeking input from all directors and the SVP of Human Resources, will formally evaluate the president based on performance and organizational goals. At this time, any compensation adjustments are also determined. Annually, the Compensation Committee, a sub-group of the Board of Directors, utilizes several for-profit and non-profit salary surveys to establish and validate the CEO's salary. In addition, information obtained by an independent consultant is used to validate the data. Once the data is gathered and analyzed by the committee, the recommended compensation package is presented to the full Board for approval. The President's salary was last reviewed and evaluated against market data by the Compensation Committee in 2008. The Board of Directors mandates the compensation philosophy for the entire organization. The process for determining the compensation grade levels for Senior Vice Presidents of World Vision is managed by the Compensation Manager. All Senior Vice President positions are evaluated and matched to market data of both for-profit and non-profit organizations where similar positions exist. The President approves the specific salary of each Senior Vice President within the appropriate grade level and within WVUS salary administration guidelines based upon recommendation of the Compensation Manager and Compensation Grading Committee. In addition, periodic audits and reviews are conducted utilizing an outside consultant to validate the compensation levels of the Senior Vice Presidents are consistent with our compensation philosophy and current market data. A total compensation review was completed in 2008 by an outside consultant.

Form 990, Part VI, Section C, line 19		World Vision posts the audited financial statements on its website. If the requestor does not have access to the internet, the organization will mail a copy. The governing documents and the conflict of interest policy are available upon request.

Identifier	Return Reference	Explanation
Schedule G, Part I, Line 2b, Column (v)	Explanation of Fundraising Payments	Russ Reid and Blue North: Due to the nature of Russ Reid and Blue North's assistance to World Vision in the area of fundraising, no revenue is specifically attributable to them. Russ Reid and Blue North both assist World Vision in many aspects of our fund-raising efforts throughout the Organization. Some of the work is related to the current year fund-raising efforts, and others are related to the securing the future of the organization. No mechanism is in place to capture which donations are related to the assistance received from Russ Reid and Blue North. Neither Russ Reid nor Blue North have custody or control of any contributions. Additionally, some of the costs paid to Russ Reid and Blue North are purely ministerial, therefore they are not included in the amounts paid listed on Schedule G. The costs include printing, postage and freight. For Russ Reid, those costs were \$2,814,498. For Blue North, those costs were \$747,172. IDC and Harris Connect: IDC and Harris Connect directly solicit planned giving donations from donors. Because the nature of their solicitation is in the planned giving arena, there is no current year revenue attributed to IDC or Harris Connect, and they do not have custody of any contributions. These efforts are made to secure the future of World Vision.
