cp - Cost basis information (or proceeds from short sales) was provided by you. We treat it as original cost basis. For equities, we will adjust the cost basis for any corporate actions which our system supports from the date the security was transferred to the account. For asset-backed fixed income securities, we will adjust the cost basis for principal pay downs from the date the security was transferred to the account. We do not apply any wash sale rules to tax lots with customer-provided cost basis. In certain cases, when positions are transferred between accounts the cost basis information may be automatically transferred and deemed to be customer-provided.

Amortization, accretion, and similar adjustments to cost basis are not provided for short-term instruments, unit investment trusts, or securities of foreign issuers.
