Mission

To better people's lives and strengthen communities, focusing primarily where Andersen employees live and work.

History

Andersen Corporation's legacy of supporting the community dates back to the company's start in 1902. In the early years, founders Hans and Sadie Andersen and later their children Molly, Herbert and Fred were active in the community, participation in the growth and success of the communities where they lived and worked. Always modest about their generosity, they often gave gifts anonymously.

Andersen Corporation business leaders founded The Bayport Foundation, now known as Andersen Corporate Foundation, as a private Minnesota nonprofit corporation in 1941, to help better the St. Croix Valley community where Andersen Corporation is headquartered. The corporation has provided funding to the Foundation throughout its history.

Today, Andersen Corporation is the world's largest manufacturer of windows, patio doors and storm doors. With more than 11,000 employees in North America, the Andersen Enterprise includes the following businesses:
