## GRANT GUIDELINE AND PROGRAM OVERVIEW

#### **FORMAL GUIDELINES**

The Foundation honors the memory of Sam S. Bloom.

The Foundation supports charitable organizations, qualified under the Internal Revenue Service Code section 501(c)(3), which serve financially disadvantaged residents of the State of Colorado. The Foundation offers grants for programs that provide an array of services aimed at bringing self-sufficiency to members of highly motivated at-risk populations. We welcome applications for programs providing a variety of services to family units with infants and young children.

The Foundation focuses its resources on organizations and projects that are controlled, rely primarily on financial support from, and, in turn, use resources within the State of Colorado in a financially efficient manner.

The Foundation prefers not to fund programs for research, health care, the elderly, religious education, animal welfare, or those that are primarily recreational. The Foundation will not consider requests for funding of endowments.

Applicants should apply for support by submitting the Colorado Common Grant Application. Waiver from this form of application may be granted by the Foundation Manager in the case of small organizations.

A yearly report is required for all grant recipients.

The Common Grant Application format has been modified to meet the needs of the foundation's application process. Proposal submission procedures and an Application Checklist are available through the Foundation office. Only complete applications receive funding consideration.

#### What is the deadline for submitting a grant proposal?

Applications must be postmarked by May 1 of the current funding year.

#### What is the notification process?

Applicants will be notified in writing of all grant decisions. Grants are awarded in November.

#### Are applicants encouraged to contact the Foundation before submitting a proposal?

Yes. The Foundation welcomes the opportunity to communicate with grant seekers. The Foundation fully understands that valuable resources are typically devoted to the submission of a grant application and encourages contact with the Foundation office to determine if the work of your agency is aligned with current funding priorities.
