About The Cabot Family Charitable Trust

The Cabot Family Charitable Trust makes grant awards to nonprofit organizations working in the arts and culture, education and youth development, environment and conservation, health and human services, and for the public benefit Grant awards are made in the city of Boston and contiguous communities, as well as communities where the Cabot family has philanthropic interests Applications to the Trust are accepted twice per year for review by the trustees

Grant Program Summary and Eligibility Requirements

Grant applications are reviewed at trustee meetings in May and November Deadlines for grant applications are February 1 and September 1 If those dates fall on a holiday, applications are due the next business day

Nonprofit organizations with 501(c)(3) status are eligible for support Cabot Family Charitable Trust does not support sectarian programs of religious institutions, fraternal organizations, fundraising events or matching gift programs The Trust does not make awards to individuals Support for summer camp programs is channeled through the Summer Fund sponsored by Associated Grant Makers

Grant Program Policy and Review Criteria

The Cabot Family Charitable Trust will consider grant applications for general support, support for specific programs and activities and for capital campaigns While most grant awards are for one year, the trustees may award multi-year funding for capital campaigns Organizations considering a capital campaign request must apply for support by February 1 in any year Capital requests will not be considered in the fall.
Grant awards range from $5,000-$50,000 for a one-year period After Cabot Family Charitable Trust staff researches and reviews grant applications, the trustees make the final decision on all grant awards and recommendations.
Applications recommended for review meet the following criteria:

- Reflect Cabot family interests and provide benefits to communities and organizations that have been supported by family philanthropy.
- Extend important services to individuals and groups not served adequately through other programs and institutions
- Manage change by assessing community needs and developing programs to meet emerging needs
- Promote productive cooperation and full use of resources by nonprofit organizations and community groups
