07. Program Service Accomplishments

Since its founding in 2002, TLC has won significant victories helping thousands of transgender people and their family members claim and uphold their fundamental civil rights. TLC's legal advocacy has led to precedent-setting cases, judgments, and policy decisions, resulting in the extension of public benefits, immigration rights, and employment access. TLC also has played an important role in socially transformative public policy victories, including: helping to pass local and statewide non-discrimination protections; challenging insurance restrictions; securing protections for transgender students; and developing innovative policies and programs in economic development and health care access.

To improve the quality of life for transgender and gender-nonconforming people, and to help build a movement for gender equality, the Transgender Law Center focuses on areas critical to our most vulnerable community members: economic justice; healthcare access and coverage; and strategic initiatives, including student safety, prisoners' rights, and access to social services.

Taking a multi-faceted approach, our work is to:

- Advance the rights of transgender and gender non-conforming people by providing legal counsel and representation on select cases;
- Increase the number of attorneys and professionals prepared to support our communities through "Know Your Rights" trainings and other legal education;
- Advocate for the adoption and implementation of policies that will end discrimination against transgender people; and
- Build the knowledge, experience, and confidence of transgender people and allies so they are better equipped to advocate for themselves and for institutional change in their communities.

Select Accomplishments in 2010 include:

- Representing 95 clients and providing legal counsel to 1431 transgender people and their families. TLC direct representation in 2010 included a client who received a threatening letter from the clerk who processed her name and gender change at the CA Department of Motor Vehicles; a former Transportation Security Administration employee alleging discrimination and harassment at work; and various individuals who were denied access to medically necessary health care.
- Increasing the number of professionals prepared to represent trans clients by training 361 attorneys and law students on transgender legal issues, and providing technical assistance to 49 attorneys.
- Expanding Project HEALTH (Harnessing Education, Advocacy & Leadership for Transgender Health), including organizing community-driven HEALTH Councils in Humboldt, Los Angeles and San Francisco Counties and brokering transgender-inclusive services at community clinics in Humboldt and L.A. counties.
- Providing technical assistance to harmonize proposed prisoner's rights legislation with the National Prison Rape Elimination Commission (NPREC) Standards.

- Publishing *The State of Transgender California*, a report on the economic health of transgender adults in California based on a survey of 646 transgender adults. The findings paint a devastating picture of disproportionate poverty, unemployment, and street economy involvement, as well as discrimination in employment, health care access, and housing, and are being used in public education and advocacy efforts.
- Mobilizing community support to overcome threats to the nation's first Transgender Economic Empowerment Initiative. In addition to protecting funding from the City of San Francisco for the entire initiative, TLC advocacy helped to secure \$150,000 in state funding for transgender inclusive employment programs.
- Training and mobilizing more than 100 youth to enforce the gender identity and expression provisions within California's safe schools laws, resulting in new publications and materials from the California Department of Education.
- Building a stronger movement for equality by engaging over 200 transgender people and their allies in the 6th annual Transgender Leadership Summit, and mobilizing more than 75 people in California's first Transgender Advocacy Day.
