THE SYMBOLIC (BLUE) LODGE
Symbolic Freemasonry

WHAT IS FREEMASONRY?

Probably the finest definition ever devised for Freemasonry is: "It is a beautiful system of morality, veiled in allegory, and illustrated by symbols . . ." This system of morality, or ethics, is as old as civilization. One must penetrate the allegorical veils, with the aid of symbolical emblems, and practice the moral precepts which have been therein revealed to prepare ourselves, spiritually, "as living stones for that house not made with hands, eternal in the heavens." Freemasonry is "a Way of Life."

Freemasonry is a progressive science. A Mason can only advance by taking every step. He must acquire and apply the knowledge available to him on each level and perfect his skills so that each stone designed for that Spiritual Building might be square, level, and plumb.

Candidates for Freemasonry must come of their own free will. American Grand Lodges prohibit the solicitation of members. The applicant must have a sincere desire to unite with a fraternity dedicated to "Brotherly Love, Relief, and Truth."

Many centuries ago the craft so successfully protected its trade secrets, consisting primarily of architectural and geometrical lore, that it became known as a secret society. Centuries later, when the fraternity had developed strong attachments to the precepts of Truth, Justice and Liberty, and the religious establishment instituted the "Inquisition", the Freemasons became a secret society in fact. Today this description no longer applies. What Freemasonry teaches is written out for all to read. Masonic halls are listed in local directories. The members wear emblems publicly. The only secrets of the craft today are the manner in which the degrees are conferred and the means of recognition among the members.

Freemasonry is neither a religious nor a political organization. It has been called the "handmaiden of religion" as it encourages all members to be active in the church of their choice. No theological dogmas nor creeds exist in Masonic practice, other than a reverence for God and a spiritual concern for our fellowman. While the Masonic craft does not support political candidates nor issues, it inspires each member to fulfill his civic responsibilities as an American citizen. The discussion of sectarian religion or partisan politics is prohibited in all branches of Freemasonry in the United States except the Christian Orders which are not denominational.

The annals of Freemasonry reveal two parallel lines of development, one is based upon historic fact with documentary support, and the other, an allegorical account that begins with the creation of the world. Many centuries ago the allegorical thread began to interweave with history and produced the fabric of modern Freemasonry.

THE CHARITABLE OBJECTIVES OF SYMBOLIC FREEMASONRY

From "time immemorial" it has been the custom and practice of Masonic Lodges to relieve human distress wherever it existed. The principle tenets of Freemasonry are Brotherly Love, Relief, and Truth.

Some may consider that Relief means to extend Charity. However, when Relief is extended to a worthy individual it is an act of Brotherly Love rather than Charity. Freemasonry endeavors to impress this fact upon the members. There are many ways to extend Relief rather than financial—a friendly word in time of distress, a visit, a sounding board for problems, etc. Many Lodges and Grand Lodges have permanent programs for extending aid to those in need.

The Symbolic Lodges maintain a Charity Committee which oversees local needs. Their activities would include alleviating short term distress. For example, a particular Master Mason died of cancer while quite young. His daughter had one semester of college to complete for her degree. His widow had little money. His Lodge took up a collection and in two weeks had secured the means for the girl to complete her education. Hundreds of similar acts of Masonic Charity are extended by the Symbolic Lodges weekly. In addition, the Lodges maintain permanent committees to sponsor the Charitable Objectives of their Grand Lodges.

A great number of Grand Lodges maintain homes for the elderly. They also operate and support homes for orphan children. In our world today, social orphans far outnumber biological orphans and the Masonic fraternity is dedicated to improving the future of the next generation. Additionally, many Grand Lodges are supporting medical research programs and medical centers.

The national youth organizations of the Order of DeMolay for Boys, The Order of Rainbow and The Order of Job's Daughters for Girls, are sponsored and/or supported by the Masonic Fraternity.
