5 Acts authorized. The representatives are authorized to receive and inspect confidential tax information and to perform any and all acts that I (we) can perform with respect to the tax matters described on line 3, for example, the authority to sign any agreements, consents, or other documents. The authority does not include the power to receive refund checks (see line 6 below), the power to substitute another representative or add additional representatives, the power to sign certain returns, or the power to execute a request for disclosure of tax returns or return information to a third party. See the line 5 instructions for more information.

Exceptions. An unenrolled return preparer cannot sign any document for a taxpayer and may only represent taxpayers in limited situations. See **Unenrolled Return Preparer** in the instructions. An enrolled actuary may only represent taxpayers to the extent provided in section 10 3(d) of Treasury Department Circular No. 230 (Circular 230). An enrolled retirement plan administrator may only represent taxpayers to the extent provided in section 10 3(e) of Circular 230. See the line 5 instructions for restrictions on tax matters partners. In most cases, the student practitioner's (levels k and l) authority is limited (for example, they may only practice under the supervision of another practitioner).

List any specific additions or deletions to the acts otherwise authorized in this power of attorney
