Patient Record Retention

POLICY

Patient records will be retained for each patient receiving Hospice care. Patient record information is considered confidential.

PURPOSE

To provide a definition for patient record retention.

REFERENCE

The Joint Commission CAMHC Standards: RC.01.05.01, IM.02.02.03; Medicare CoP #: 418.104 d

PROCEDURE

1. Adult patient medical records are retained minimally for six (6) years after the death of a patient or discharge of a patient, unless state law stipulates a longer period of time.
2. Pediatric patient records are retained minimally for six (6) years after the age of majority.
3. In the event that Hospice ceases operation, the state Health Department will be notified of the location of patient records and records will be retained and stored according to state Health Department guidelines. Hospice will inform the state Health Department and the CMS regional office where such patient records are stored and how they may be accessed.
4. Records involved in litigation are retained until after settlement or according to (1) or (2) above, whichever is longer.
5. Billing records are retained for a minimum of seven (7) years.
