ARTICLE III MEMBERS

The Corporation shall have no members.

ARTICLE IV [THIS ARTICLE IS INTENTIONALLY LEFT BLANK]

ARTICLE V ROLE OF THE BCBST BOARD

The Corporation was created as a tax exempt, nonprofit part of the BlueCross BlueShield of Tennessee (BCBST) Enterprise. As part of the BCBST Enterprise and in order to further the charitable interest of the corporation, the BCBST Board and its standing Committees (see Article VIII, Section 2 of the BCBST Bylaws) shall have oversight of all wholly owned subsidiaries and affiliates, including the Corporation.

ARTICLE VI BOARD OF DIRECTORS

Section 1. Oversight and Direction.

All corporate powers not expressly reserved by the BCBST Board shall be exercised by or under the authority of the Board (subject to BCBST oversight, as stated above). The business and affairs of the Corporation shall be conducted subject to the general direction and oversight of the Board, except as may be otherwise provided by applicable laws, the Charter or these Bylaws. Individuals do not need to be Tennessee residents to serve as Directors.

The Board shall not have the power or authority to: a) elect, appoint or remove Directors, or set the compensation of Directors; or b) approve a plan of merger, consolidation, conversion or dissolution; or c) approve a sale, pledge, or assignment of all or substantially all of the Corporation's assets; or d) take actions which would not be permitted by applicable laws. Such powers are reserved for action by the BCBST Board.

Section 2. Number, Election and Term of Office.

The number of Directors which shall constitute the whole Board shall be some number not less than 11 and not more than 17 members. Individuals do not need to be Tennessee residents to serve as Directors. Directors shall be appointed by the BCBST Board. Each Director shall be elected at BCBST's annual meeting and shall hold office for a term of one (1) year or until his or her successor is elected and qualified or until his or her earlier death, disability, resignation or removal. If more than the requisite number of individuals is nominated to serve, the Directors shall be elected by a plurality of the votes cast during the annual meeting. The BCBST Board shall elect Directors to fill vacancies or newly created positions on the Board.

Section 3. Removal, Resignation, or Retirement.

Any or all of the Directors may be removed at any time with or without cause, by a two-thirds (2/3) majority vote of the BCBST Board. A Director may resign at any time by tendering his or her resignation in writing to the Secretary of the Corporation. A resignation shall become effective upon the date specified in such notice or, if no date is specified, upon receipt of that resignation by the Secretary. The retirement age for Directors shall be 70 years of age, provided that a director reaching that age may complete the remainder of his or her term prior to retirement.

Section 4. Vacancy.

Vacancies on the Board caused by death, resignation, removal or any other cause shall be filled by a majority vote of the BCBST Board. Such vacancies may be filled at any regular or special meeting called for that purpose or by written consent or by written consent. Directors elected to fill vacancies shall continue in office for the unexpired portion of the term for which elected or their earlier death, removal, resignation, or retirement.

Section 5. Independence.

A majority of Directors must be independent under this definition. An "immediate family member" for purposes of this definition includes a person's spouse, parents, children and siblings.

For a director to be deemed "independent," the BCBST Board must affirmatively determine that the director has no material relationship with the company. A director is not independent if:

- (1) The director is, or has been within the last three years, an employee of BCBST and/or its wholly owned subsidiaries and affiliates or an immediate family member is, or has been within the last three years, an executive officer of BCBST and/or its wholly owned subsidiaries and affiliates.
- (2) The director has received, or has an immediate family member who received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from BCBST and/or its wholly owned subsidiaries and affiliates (other than (1) director and Committee fees, (2) pension or other forms of deferred compensation for prior service, provided such compensation is not contingent on future service, and (3) health plan benefit payments to the director or immediate family member). A member of the Audit Committee may not accept any consulting, advisory, or other compensatory fee.
- (3) The director or an immediate family member is a current partner of BCBST's and/or its wholly owned subsidiaries and affiliates' external auditor.
- (4) The director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of BCBST's and/or its wholly owned subsidiaries and affiliates' present executive officers at the same time serve or served on the Compensation Committee.
- (5) The director is a current employee, or an immediate family member is a current executive officer, of another company that has made payments to, or received payments from, BCBST and/or its wholly owned subsidiaries and affiliates for

property or services in an amount that in any of the last three years exceeded the greater of \$1 million or 2% of such other company's consolidated gross revenues.

Notwithstanding Item 5 above, the BCBST Board may determine that a director is independent notwithstanding the receipt of payments of amounts that account for more than \$1 million or 2% of the recipient's consolidated gross revenues if the Board determines, based on the facts and circumstances, that the relationship is not material.

Section 6. Conflict of Interest.

Any transaction between the Corporation and a Director or officer or a member of his or her immediate family, or between the Corporation and any other entity in which a Director or officer or any member of his or her immediate family has an interest, shall not be voidable, and such transaction shall not be the basis for imposing liability on the Director or officer, if the interest is fully disclosed, the transaction is not unfair to the Corporation and it is authorized, approved or ratified by the affirmative vote of a majority of the members of the Board, or of a Board Committee, who have no direct or indirect interest in the transaction. A majority of the members of the Board who have no direct or indirect interest in the transaction shall constitute a quorum for the purpose of taking action under this Article. The Chief Compliance Officer of BCBST or his or her designee has oversight responsibility for Conflicts of Interest. Conflicts of Interest policy of BCBST shall reflect the process and procedures for consideration of potential director conflicts.

Section 7. Conflict of Interest Reports.

The Board has adopted a code of conduct providing general guidelines to help employees, officers and Directors to avoid any situation where a conflict of interest could exist or reasonably appear to exist. In accordance with that policy, Directors (members of the Board) shall annually prepare and file with the Secretary of the Corporation, disclosure statements in order to disclose any existing or potential conflict of interest or violation of the code of conduct. A "conflict of interest" shall include not only those things described by law, but may also include any situation wherein a Director of BCBST and/or its wholly owned subsidiaries and affiliates is a director, officer, or employee of any company or entity that contracts with the corporation or is in direct or indirect competition with the corporation. This annual disclosure statement shall be in such form as the Board shall prescribe. Additionally, if any existing or potential conflict of interest or existing or potential violation of the code of conduct damages or has the potential to damage the business or reputation of the Corporation. then any Director may be removed for such by the Board. The Conflict of Interest process shall reflect the process consideration of potential director conflicts (e.g., the director is excused from deliberations, abstains from voting and does not count towards quorum).

Section 8. Meetings of Directors.

- (1) <u>Participation, Quorum and Vote</u>. A majority of the total number of Directors in office shall constitute a quorum for the transaction of business. The vote of a majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board unless applicable laws, the Charter or these Bylaws require a greater number of votes to take such action.
- (2) <u>Place of Meetings</u>. Meetings of the Board shall be held at such place in or outside of the State as may be established by the Board or the Chairperson of the Board and stated in the notice of meeting.
- (3) <u>Annual Meeting</u>. The annual meeting of the Board shall be held prior to the last day of April of each year. Ten (10) days' notice of the annual meeting shall be given by the Chairperson of the Board or the Secretary, at the Chairperson's direction, to each Director.

At the annual meeting each year, the Board shall elect the officers of the Corporation as described in Article X and transact all other business properly brought before the meeting. In addition, at such meeting the Board shall consider the report of the certified public accountant retained to audit the financial affairs of the Corporation at the close of the fiscal year. That auditor shall furnish a copy of the audit report for the preceding fiscal year to each member of the Board, prior to the annual meeting.

- (4) Meetings of the Board. At least four (4) meetings of the Board shall be held during each calendar year.
- (5) <u>Special Meetings</u>. Special meetings of the Board may be called at any time by the Chairperson, the CEO, or any two Directors, upon notice to all Directors given in accordance with T.C.A. 48-58-203.
- (6) Executive Sessions of Board. Non-management Directors may hold Executive Sessions after each regularly scheduled Board meeting.
- (7) <u>Notice</u>. Any notice to Directors shall be given in writing and delivered personally or by mail, telegram, telex, cable, telecopier, facsimile, email, or similar means to the Directors at their respective addresses appearing on the books of the Corporation. Notice by mail shall be deemed to be given when the notice is deposited in the United States mail, postage prepaid. Any notice required or permitted to be given by telegram, telex, cable, telecopier, facsimile, email, or similar means shall be deemed to be given at the time it is transmitted.
- (8) <u>Waiver of Notice</u>. A Director may waive any notice required by applicable laws, the Charter, or these Bylaws, in writing, at any time. The Director's signed waiver of notice shall be filed with the minutes or the corporate records to which that waiver is applicable. Attendance at a meeting of the Board shall constitute waiver of any required notice of that meeting, unless the Director attends the meeting for the express purpose of objecting to the transaction of any business, at the beginning of the meeting, because

the meeting is not lawfully called or convened, provided that Director does not subsequently vote on any actions taken during that meeting.

- (9) <u>Telephone and Similar Meeting</u>. Excluding the Board Retreat, Directors may participate in meetings by means of videoconference, conference telephone, or similar communications equipment by which all persons participating in the meeting can hear and respond to each other. Directors who participate in a meeting using such communications equipment will be considered to participate for purposes of establishing a quorum and transacting business during that meeting. Directors may not use such communications equipment for the sole purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.
- (10) Consent of Directors in Lieu of Meeting. Any action that may be taken at a meeting of the Board may be taken without a meeting if all of the Directors consent, in writing, to taking that action without a meeting. If the Directors so consent, the affirmative vote of the number of Directors that would be required to take that action if a meeting had been conducted shall be the act of the Board. The written consent signed by each Director, in one or more counterparts, must describe the action taken and each Director's vote or abstention concerning that matter. The written consent shall be filed with the Corporation's minutes.
- (11) <u>Presumption of Assent.</u> A Director of the Corporation who is present at a meeting of the Board at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless: (a) the Director objects to holding the meeting or transacting business at the meeting at the beginning of the meeting (or promptly upon his or her arrival); (b) the Director's dissent or abstention is entered in the minutes of the meeting; or (c) the Director delivers written notice of dissent or abstention to the person acting as the Secretary of the meeting before the adjournment thereof or forwards such dissent or abstention to the Secretary of the corporation immediately after the adjournment of the meeting. Such right to dissent shall not apply to a Director who voted in favor of such action.

Section 9. Compensation.

The Board is authorized to reimburse the Directors for their expenses, if any, incurred in attending each meeting of the Board. In addition, the BCBST Board, by majority vote, is authorized to make provisions for reasonable compensation of the Board for their services as Directors and to fix the basis and conditions upon which this compensation may be paid. No such payment shall preclude any Director from serving the Corporation in any other capacity and receiving compensation therefore. Members of special or standing Committees may be allowed like compensation for attending Committee meetings. Said compensation for Committee meetings shall be set by the BCBST Board.

ARTICLE VII RELIANCE UPON BOOKS AND RECORDS

In discharging his or her duties, a Director or Committee member is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

The retirement age for Directors shall be 70 years of age, provided that a director reaching that age may complete the remainder of his or her term prior to retirement.

Vacancies may be filled at any time by the Board.

Section 2. Term Limits.

Individuals serving in the Chairperson and Vice Chairperson capacity may serve up to four (4) consecutive one (1) year terms. Special circumstances may dictate that the timing of this transition may result in adverse harm to the company. If this should occur, the Chairperson's four (4) term limit may be extended for one (1) additional term. The one (1) term extension will require a two-thirds (2/3) majority vote for approval by the Board. Maximum time a Chairperson shall hold office is no more than five (5) consecutive one (1) year terms.

Prior to the Annual Board meeting at which the Chairperson or Vice Chairperson reach the four (4) term limit, the BCBST Governance and Nominating Committee shall implement a succession plan, as follows:

Additional characteristics as defined in the Board Governance Policy should be considered.

The Board may delegate other powers and duties to the CEO, subject to the requirements of applicable laws, the Charter and these Bylaws. The CEO shall be a member of the Board with voting privileges on the Board.

Section 5. [THIS SECTION IS INTENTIONALLY LEFT BLANK].

Section 6. President.

Section 10. Compensation.

(1) No officer or other employee or any person shall receive any compensation or salary for services, except as may from time to time be authorized by the Directors. However, it is expressly understood that the authorization by the Directors may be by either formal or informal action, and the compensation for an officer shall be a valid and subsisting debt of the Corporation if at such time as the failure to record same in the minutes is called to the attention of the Directors and they file no written objection to the compensation within thirty (30) days thereafter. After the expiration of seventy-five (75) days past each fiscal year, it shall be presumed that all payments to officers and employees designated on the tax return as compensation or salary was duly authorized by the Board in the absence of any showing of fraud or other wrongdoing on the part of such officer or employee. If any officer or other person or employee of the Corporation uses or takes any property of the Corporation for his/her own personal use or for the personal use of a member of his/her family, the fair market value of such property or the use of such property, as the case may be, shall be deemed additional compensation from the Corporation to such person unless the Board of Directors within seventy-five (75) days from the date that such use was called to his or her attention, elects to either declare the fair market value of such property or the use of same to the officer or person or employee as a dividend or charge such person with repayment of the equivalent in cash to the Corporation. The fair market value of such property or the use of same, as the case may be, shall be treated as compensation to such officer as of the date such use is called to the attention of the Board, unless said Board by formal action elects to treat the same otherwise or charge such person with repayment.

No dividend shall be paid by the corporation except after formal action by the Board recorded in the minutes of the corporation.

(2) Any officer elected by the Directors or under contract to the Corporation shall be elected or appointed under such contract upon the implied condition that such officer for himself/herself, his/her legal representatives, heirs and assigns, shall be absolutely obligated to repay to the Corporation such amount or amounts paid to such officer as compensation pursuant to the provisions of Section 10 of this Article or other payments to him or her such as bonus, interest, rent or entertainment expense incurred by him or her which does not constitute a reasonable salary under the provisions of Section 162(a)(1) of the Internal Revenue Code and/or which shall be disallowed in whole or in part as a deductible expense. If a determination, as that term is defined in Section 1313 of the Internal Revenue Code of 1954, is made against the Corporation, disallowing any part of the Corporation's deduction of the officers' salary or compensation or the other above mentioned payments as a trade or business expense, then such amount shall be repaid to the Corporation by the employee or his/her estate receiving same. The repayment must be made within thirty (30) days from the date of such determination and shall bear interest at the rate of six percent (6%) per annum from the date that the employee received the payment from the Corporation to the date of repayment. The repayment may be made in the form of a promissory note payable on or before one year from the date thereof. It shall be the duty of the Directors, as a Board, to enforce the payment of each amount disallowed. In lieu of the payment by the officer, subject to the determination of the Directors, proportionate amounts may be withheld from his/her

future compensation payments until the amount owed to the Corporation has been recovered.

(3) If the services of an officer of the Corporation are duly terminated, the officer shall be entitled only to that salary or compensation which has accrued up to the date of such termination. It is expressly agreed and understood that after termination, the officer shall continue to be liable for any indebtedness to the Corporation, including that which may arise under the provisions of this Article.

The Corporation shall indemnify any individual, or such individual's heirs, executors, administrators or legal representatives, who is made a party to any threatened, pending, or completed action, suit or proceeding whether civil, criminal, administrative, or investigative and whether formal or informal, because the individual is or was a Director, officer or employee of the Corporation, or who, while a Director, officer or employee is or was as a director, officer, partner, trustee, employee, or agent of another foreign or domestic for profit or nonprofit corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise at the Corporation's request; to the maximum extent permitted by applicable laws, as amended from time to time. Such indemnity shall include any expenses (including counsel fees), judgments, settlements, penalties, fines (including an excise tax assessed with respect to an employee benefit plan), and other liabilities actually incurred with respect to such an action, suit or proceeding. If applicable laws are amended to limit or restrict the indemnification rights permitted by law as of the effective date of these Bylaws, such amendment shall apply only to the extent mandated by law and only to activities of persons subject to indemnification under this Article which occur subsequent to the effective date of such amendment. The indemnification and advancement of expenses granted pursuant to this Article shall not be deemed to be exclusive of any other rights to which a Director, officer or employee seeking indemnification or advancement of expenses may be entitled pursuant to law.

Section 2. Expenses.

Expenses incurred by an individual in defending a civil or criminal action, suit or proceeding by reason of the fact that such individual is, or was, a Director, officer or employee of the Corporation (or who, while a Director, officer or employee is or was as a director, officer, partner, trustee, employee, or agent of another foreign or domestic for profit or nonprofit corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise at the Corporation's request) shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding if: (a) the Director, officer or employee furnishes the Corporation a written affirmation of such Director's, officer's or employee's good faith belief that such Director, officer or employee has met the standard of conduct described in T.C.A. § 48-58-502; (b) the Director, officer or employee furnishes the Corporation a written undertaking, executed personally or on behalf of such Director, officer or employee, to repay any advances if it is ultimately determined that such Director, officer or employee is not entitled to indemnification; and (c) a determination is made that

the facts then known to those making a determination would not preclude indemnification under the Tennessee Nonprofit Corporation Act.

ARTICLE XII QUALIFICATIONS IN OTHER JURISDICTIONS

The Corporate and Administrative Officers may execute and file any documents that are required to authorize the Corporation to do business in other jurisdictions.

ARTICLE XIII AMENDMENTS

These Bylaws may be altered, amended or repealed or new bylaws may be adopted by the Board as permitted under Tenn. Code Ann. § 48-60-201, 202, 203, 204, and 205. Upon Board approval of such alteration, amendment, or adoption of the bylaws, notice shall be given to the BCBST Board.

ARTICLE XIV AMENDMENT AND RESTATEMENT

These Bylaws amend and restate in their entirety any and all previous bylaws, whenever enacted, of the Corporation.

ARTICLE XV EMERGENCY BYLAWS

The Emergency Bylaws provided in this Article XV shall be operative during any emergency in the conduct of the business of the Corporation, notwithstanding any different provision in the preceding Articles of the Bylaws or in the Charter of the Corporation or in the Act. To the extent not inconsistent with the provisions of this Article, the Bylaws provided in the preceding Articles shall remain in effect during such emergency and upon its termination, the Emergency Bylaws shall cease to be operative.

During such emergency:

- (1) A meeting of the Board may be called by any officer or director of the Corporation. Notice of the time and place of the meeting shall be given by the person calling the meeting to such of the Directors as it may be feasible to reach by any available means of communication. Such notice shall be given at such time in advance of the meeting as circumstances permit in the judgment of the person calling the meeting.
- (2) At any such meeting of the Board, a quorum shall consist of a majority of the Directors who may be readily assembled.
- (3) The Board, either before or during any such emergency, may, provide, and from time to time modify, lines of succession in the event that during such an emergency any or all officers or agents of the Corporation shall for any reason be rendered incapable of discharging their duties.

(4) The Board, either before or during any such emergency, may, effective in the emergency, change the head office or designate several alternative head offices or regional offices, or authorize the officer to do so.

Corporate action taken in good faith in accordance with the Emergency Bylaws binds the Corporation and may not be used to impose liability on a corporate director, officer, employee, or agent.

The Emergency Bylaws shall be subject to repeal or change by further action of the Board (or actions of the members), but no such repeal or change shall modify the provisions of the next preceding paragraph with regard to action taken prior to the time of such repeal or change. Any amendment of the Emergency Bylaws may make any further or different provision that may be practical and necessary for the circumstances of the emergency.

ARTICLE XVI TENNESSEE NONPROFIT CORPORATION ACT

These Bylaws are intended to be in conformity with the requirements of the Tennessee Nonprofit Corporation Act. If the Tennessee Nonprofit Corporation Act does not allow certain provisions of these Bylaws to control in any given situation, then the applicable provision of said Act shall prevail.
