Accordingly, no provision or liability for income taxes has been included in the accompanying financial statements. FASB Accounting Standards Codification ASC 740, Income Taxes, requires that the Organization recognize the financial benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. The Organization is subject to income tax regulations in the U.S. federal jurisdiction and certain state jurisdictions. Tax regulations within each jurisdiction are subject to the interpretation of the related tax laws and regulations and require significant judgment to apply.
