ALBEMARLE FOUNDATION SCHOLARSHIP GRANT PROGRAM

Rules and Regulations

ELIGIBILITY

Qualified applicants for scholarship shall be dependent children of any regular U.S. employee of Albemarle who are high school seniors eligible to graduate in the current year. A child is a dependent for this purposes as defined in Section 152 of the Internal Revenue code and properly reported as dependents on the employee's income tax returns as dependents. Further, employees include only employees regularly working or living in the U.S., or U.S. citizen employees temporarily assigned to overseas affiliated facilities for periods less than ten years, or deceased employees who qualify as employees at the time of their death, or retired employees who qualify as such employees at the time of their retirement.

SCHOLARSHIP GRANTS

All scholarships shall be for \$2,500 per year of eligibility. Each year of eligibility will be determined separately and the total years of eligibility cannot exceed four years or \$10,000 of scholarships per eligible student. Scholarship awards shall be used for the full time study of recognized curricula of study at a recognized four-year college or university either located within the U.S. or described in Sections 117 and 170 of the U.S. Internal Revenue code. The awards can only be used for tuition, fees, books, supplies and equipment required to pursue the study for which the scholarship is granted. Eligibility is not affected by other scholarship grants.

ADMINISTRATION

Determination of eligibility will be decided by an Albemarle Foundation Scholarship Selection Committee, which will be composed of a minimum of four members. Each member will be a college/university level educator, a secondary school level educator, or a leader from the community in which the Albemarle operates. No current or past employee of Albemarle may serve on the Selection Committee.

APPLICATIONS

Eligible high school students must submit their applications by February 28th. Each student must complete the ASF application form and provide the documents and information requested, including high school transcript, SAT and/or ACT scores. (see application form for details)

CONTINUING REQUIREMENTS

Scholars will periodically be asked for current transcripts and school standing. Scholars will be subject to forfeit eligibility for future grants, year to year, in the event that:

- Any amount of the scholarship award is used for purposes other than tuition, fees, books, expenses related to the academic program.
- The student fails to maintain a 3.0 GPA (on a possible 4.0 basis or equivalent)
- The student does not maintain full-time status
- the student does not maintain good-standing status at the college or university where enrolled by virtue of poor grades or rule infraction(s)
- the student is expelled, asked to leave the university, or voluntarily abandons his or her studies.

Scholarship awards will be returned if these requirements are not met.

INTERNSHIPS

Special summer internships will be available to those scholars whose major field of study is in one of the fields in which Albemarle Corporation actively recruits new graduates. This includes chemistry, chemical engineering, mechanical engineering, electrical engineering, and, from time to time, other fields. In any given year, there may be fewer internships than there are applicants to staff them, but Albemarle scholars will be given preferential consideration for those openings that exist. Internships will be during the summer between the sophomore and junior years or between the junior and senior years.

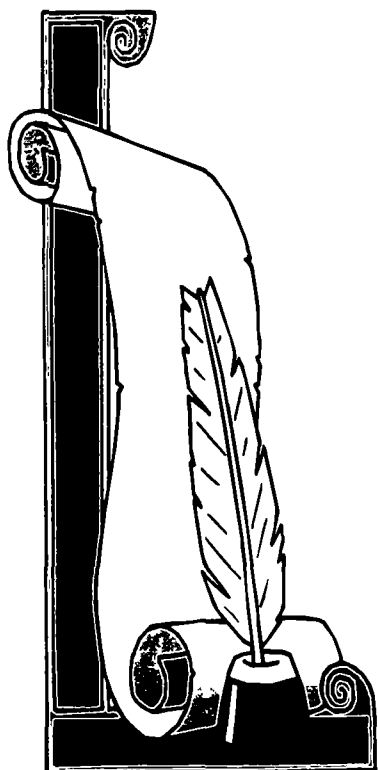

Interns will be paid according to Albemarle's pay scale for summer and co-op employees during the period of their internship.

Albemarle Foundation reserves the right to abolish or amend this program at any time. No individual shall have the right to claim entitlement to any scholarship grant or any internship assignment.

All questions regarding scholarship eligibility and administration shall be within the authority of the Scholarship Selection Committee to resolve.

All questions regarding internship assignments shall be within the province of the Albemarle Corporation Human Resources organization to resolve.
